[File No. 500-1]

Whispering Oaks International, Inc., D/b/a BioCurex, Inc.; Order of Suspension of Trading

April 8, 2004.

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of Whispering Oaks International, d/b/a BioCurex, Inc. ("BioCurex"), because of questions regarding the accuracy of assertions by BioCurex and by others, in press releases and e-mails to investors concerning, among other things, (1) a study confirming the effectiveness of its primary product and (2) approval of its main product by the Food and Drug Administration.

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the above listed company.

Therefore, it is ordered, pursuant to section 12(k) of the Securities Exchange Act of 1934, that trading in the above listed company is suspended for the period from 3 p.m. EDT on April 8, 2004 through 11:59 p.m. EDT on April 22, 2004.

By the Commission.

J. Lynn Taylor,
Assistant Secretary.

April 6, 2004.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the CHX included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received regarding the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The CHX has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Under the Exchange's rules, a member firm for which the Exchange is the designated examining authority must notify the Exchange before opening a new branch office.³ The Exchange's rules currently require that a firm provide this notice by completing and submitting a MW-B form.

The Exchange represents, however, that it currently asks its member firms to submit Schedule E to Form BD for that purpose. The proposed rule would correct the reference to the form in its Article VI, Rule 5 and would make other non-substantive changes to the text.

2. Statutory Basis

The CHX believes that the proposed rule change is consistent with Section 6(b) of the Act,⁴ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁵ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market
