

meeting should so indicate on the registration form on the web or contact the Call Center identified above at least five business days prior to the meeting you wish to attend so we can make the appropriate arrangements. Any person who wishes to file a written statement may do so by June 30, 2004. EPA has established an official public docket for this action under Docket ID No. RCRA-2003-0014. Please see section I.C. for instructions on how to submit written comments.

V. On What Topics and Questions Will EPA Be Soliciting Input?

1. What areas of the generator program are working well?

A. Is the existing hazardous waste generator program meeting its goals of protecting human health and the environment?

B. What parts of the program work effectively and why?

2. How can we improve the program through the use of innovative solutions and improved technical assistance?

A. What parts of the program can be improved? What are some workable solutions? What benefits would be derived from these potential solutions?

B. Are there any new management techniques; *e.g.*, environmental management systems, or technologies; *e.g.*, better use of information management systems, that lend themselves to improving the existing regulatory framework? What would be the benefits to the program if adopted?

C. What, if any, state hazardous waste regulations, interpretations or implementation programs should EPA review and evaluate in order to improve or clarify the federal regulations?

D. How can EPA and the states improve their compliance and technical assistance activities to hazardous waste generators?

3. How can we improve the program through better performance measurements, burden reductions and pollution prevention/recycling?

A. What measures should the program use to most effectively capture the environmental benefits of the hazardous waste generator regulatory program?

B. Are there areas where we can achieve further reporting/paperwork burden reduction while allowing EPA to measure environmental results?

C. How can EPA encourage generators to practice pollution prevention and recycling?

A tentative agenda is available. If you would like a copy, please go to the Web site or use the contact information listed under **FOR FURTHER INFORMATION CONTACT**. Be advised that there may be slight changes to the agenda either in

content or duration, so please check the Web site before attending the meeting for the latest information.

Science Advisory Board Staff Office; Notification of an Upcoming Science Advisory Board Meeting

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: The EPA Science Advisory Board (SAB) Staff Office announces a public face-to-face meeting of the Executive Board of the EPA SAB. The Board will discuss several issues and review two SAB Committee reports.

DATES: June 3-4, 2004. A public meeting of the Board will be held from 9 a.m. to 5:30 p.m. (eastern time) on June 3, 2004, and from 8:30 a.m. to 3 p.m. (eastern time) on June 4, 2004.

ADDRESSES: The June 3-4, 2004 meeting of the Board will be held in the EPA Science Advisory Board Conference Center (Room 3705), 1025 F Street, NW., Washington, DC 20004.

FOR FURTHER INFORMATION CONTACT: Members of the public who wish to obtain further information regarding the SAB may contact Mr. Thomas O. Miller, Designated Federal Officer (DFO), SAB Staff Office, via phone (202-343-9982) or e-mail at miller.tom@epa.gov, or Dr. Anthony Maciorowski, Associate Director for Science, SAB Staff Office, via phone (202-343-9983) or e-mail at maciorowski.anthony@epa.gov.

The SAB Mailing address is: U.S. EPA, Science Advisory Board Staff Office (1400F), 1200 Pennsylvania Avenue, NW., Washington, DC 20460. General information about the SAB, as well as any updates concerning the meetings announced in this notice, may be found in the SAB Web site at <http://www.epa.gov/sab>.

SUPPLEMENTARY INFORMATION:

Background on the Board Meeting: At this meeting, the Science Advisory Board will focus on the following: (a) A discussion of the procedures and outcomes of the Board's recent review of the Fiscal Year (FY) 2005 science and research budgets for EPA, (b) a discussion of the nominated advisory projects for FY 2005, (c) initiate

planning for the SAB Annual meeting (scheduled for December 2004), and (d) review a number of SAB Committees' draft reports. Any additional items that are identified prior to the meeting will be reflected on the meeting agenda that will be posted on the SAB Web site prior to the meeting.

(a) Science and Research Budget Review: The SAB recently reviewed the EPA Science and Research budget proposal for FY 2005. Information on that review, and the report to the EPA Administrator that was developed as a result of that activity, are available on the SAB Web site at: http://www.epa.gov/sab/panels/fy2005_sci_res_budget_advisory.html. At this meeting, the Board will discuss the process and results of the FY 2005 science and research budget review with Agency officials. The purpose will be to consider process changes for the FY 2006 budget review cycle that will make the SAB-EPA interaction more efficient and improve its focus. The Board intends to hold a series of briefings at each of its meetings throughout the year to allow it to learn more on specific EPA Science and Research programs.

(b) Review of Nominated Advisory Projects for FY 2005: The Board will conduct an initial review of nominated projects from the Agency and the SAB.

(c) Review of SAB Committee Reports: The Board will review two draft SAB reports. These include reports on: (1) The SAB's review of EPA's Environmental Economics Research Strategy, and (2) the SAB's review of EPA's Air Toxics Research Strategy. Information on these reviews, and drafts of each report, can be found on the SAB Web site at: <http://www.epa.gov/sab/drrep.htm>.

Availability of Review Material for the Board Meeting: Documents that are the subject of this meeting are available from the SAB Web site at: <http://www.epa.gov/sab>.

Procedures for Providing Public Comment: It is the policy of the EPA SAB Staff Office to accept written public comments of any length, and to accommodate oral public comments whenever possible.
