establishes eligibility. The threshold submission on which that eligibility will be determined may be filed at any time and will be processed within fifteen business days unless review of the threshold submission determines that eligibility has not been met.

NOCO Submissions

Under 11 CFR 9034.5, a candidate who received federal matching funds must submit a NOCO statement to the Commission within 15 calendar days after the candidate's date of ineligibility, as determined under 11 CFR 9033.5. The candidate's net outstanding campaign obligations is equal to the difference between the total of all outstanding obligations for qualified campaign expenses plus estimated necessary winding down costs less cash on hand, the fair market value of capital assets, and accounts receivable. 11 CFR 9034.5(a). Candidates will be notified of their DOI by the Commission.

Candidates who have net outstanding campaign obligations post-DOI may continue to submit matching payment requests as long as the candidate certifies that the remaining net outstanding campaign obligations equal or exceed the amount submitted for matching. 11 CFR 9034.5(f)(1). If the candidate so certifies, the Commission will process the request and certify the appropriate amount of matching funds.

Candidates must also file revised NOCO statements in connection with each matching fund request submitted after the candidate's DOI. These statements are due just before the next regularly scheduled payment date, on a date to be determined by the Commission. They must reflect the financial status of the campaign as of the close of business three business days before the due date of the statement and must also contain a brief explanation of each change in the committee's assets and obligation from the most recent NOCO statement. 11 CFR 9034.5(f)(2).

The Commission will review the revised NOCO statement and adjust the committee's certification to reflect any change in the committee's financial position that occurs after submission of the matching payment request and the date of the revised NOCO statement.

The following schedule includes both matching fund submission dates and submission dates for revised NOCO statements.
