No public comments were received. The purpose of this announcement is to allow an additional 30 days for public comment. The National Institutes of Health may not conduct or sponsor, and the respondent is not required to, an information collection that has been extended, revised, or implemented on or after

October 1, 1995, unless it displays a currently valid OMB control number.

*Proposed Collection: Title:* The Impact of a Decade of the Fogarty International Research Collaboration Award (FIRCA). *Type of Information Collection Request:* New. *Need and Use of Information Collection:* This study will access the outputs, outcomes and impacts of the Fogarty International Research Collaboration Award (FIRCA).
