

Competency of Applicant's Personnel and Adequacy of Proposed Resources, 4. Reasonableness and Appropriateness of the Proposed Budget, 5. Basic research that is relevant to the Administration's Hydrogen Fuel Initiative.

The external peer reviewers are selected with regard to both their scientific expertise and the absence of conflict-of-interest issues. Non-federal reviewers may be used, and submission of an application constitutes agreement that this is acceptable to the investigator(s) and the submitting institution.

Submission Information

Other information about the development and submission of applications, eligibility, limitations, evaluation, selection process, and other policies and procedures including detailed procedures for submitting applications from multi-institution partnerships may be found in 10 CFR part 605, and in the Application Guide for the Office of Science Financial Assistance Program. Electronic access to the Guide and required forms is made available at: <http://www.science.doe.gov/production/grants/grants.html>.

Coordination and Integration With the DOE Offices of Energy Efficiency and Renewable Energy (EERE), Fossil Energy (FE), and Nuclear Energy, Science and Technology (NE) Hydrogen Programs

The proposal solicitation and selection processes will be coordinated with EERE, FE, and NE's programs to ensure successful integration of the basic research components with the applied technology programs. Specifically, input from EERE, FE and NE have been incorporated in the formulation of this announcement, and further input will be solicited in the review processes. There will also be an annual Contractors' Meeting for all participants in the BES program to help coordinate and integrate research efforts related to hydrogen research. The Annual Contractors' Meeting of BES principal investigators will be coordinated with EERE, FE and NE, and will include presentations on applied research and development needs from researchers inside and outside of the Contractors' group.

The Catalog of Federal Domestic Assistance number for this program is 81.049, and the solicitation control number is ERFAP 10 CFR part 605.

Issued in Washington, DC.

Martin Rubinstein,

Acting Director, Grants and Contracts Division, Office of Science.
