Algonquin Gas Transmission Company; Notice of Motion To Withdraw Pleadings and Terminate Proceedings

April 21, 2004.

Take notice that on April 19, 2004, Algonquin Gas Transmission Company (Algonquin) filed a motion to withdraw its pleadings and terminate the proceedings in Docket Nos. RP04-24-000, 001, 002, and 003, as a result of reaching a Settlement Agreement. Algonquin requests expedited treatment of its motion.

Specifically, in its motion, Algonquin requests that the Commission: (i) approve the withdrawal of the Algonquin FERC filings in Docket Nos. RP04-24-000, 001, 002, and 003; (ii) terminate, as of the date of such order, in these dockets numbers, including the hearing procedures established by the Commission; and (iii) provide any necessary authorizations for Algonquin's system operations during the pendency of these proceedings, as they pertain to services provided on the AFT-1(X-38) and AFT-CL(X-37) facilities.

Algonquin states that it is seeking the Commission's approval to withdraw its pleadings and terminate these proceedings as a result of reaching a Settlement Agreement with USGen New England, Inc. (USGen). Algonquin states that granting this motion would resolve all issues raised in these proceedings in a manner that is consistent with the Commission's prior orders. Additionally, Algonquin states that the termination of these proceedings will not harm Algonquin's other customers, since the terms of the Settlement Agreement will only affect USGen.

All such comments or protests must be filed in accordance

with Section 154.210 of the Commission's Regulations. Algonquin Gas Transmission Company; Notice of Compliance Tariff Sheet Filing

April 21, 2004.

Take notice that on April 19, 2004, Algonquin Gas Transmission Company (Algonquin) tendered for filing: (i) An original and five copies of the tariff sheets listed in Appendix A of the filing, as part of its FERC Gas Tariff, Fourth Revised Volume No. 1; (ii) three firm transportation service agreements with negotiated rates, effective March 1, 2004, included in Appendix B of the filing; and (iii) one interruptible service agreement with discounted and negotiated rates, effective January 1, 2005, included in Appendix B of the filing.

Algonquin states that the purpose of this filing is to implement tariff revisions and service agreements for transportation service to be rendered by Algonquin to USGen New England, Inc. RP04-24-000, *et al.* Algonquin states that while the effective dates of the revised tariff sheets and service agreements are proposed to be March 1, 2004, and January 1, 2005, the effectiveness of these proposed tariff sheets and the agreements is contingent upon the Settlement Agreement becoming effective, including the satisfaction of the conditions precedent contained in the Settlement Agreement. Algonquin requests that the Commission act on the instant filing at the same time as it acts on its April 19, 2004, motion to withdraw pleadings and terminate proceedings in this docket in Docket Nos.
