[Docket No. RP04-263-000]

Algonquin Gas Transmission Company; Notice of Filing of Tariff Sheets and Negotiated Rate Service Agreements

April 22, 2004.

Take notice that on April 19, 2004, Algonquin Gas Transmission Company (Algonquin) tendered for filing: (i) Tariff sheets listed in Appendix A of the filing, as part of its FERC Gas Tariff, Fourth Revised Volume No. 1; (ii) three firm transportation service agreements with negotiated rates, effective March 1, 2004, included in Appendix B of the filing; and (iii) one interruptible service agreement with discounted and negotiated rates, effective January 1, 2005, included in Appendix B of the filing.

This April 19, 2004, filing was previously assigned Docket No. RP04-24-004 and was noticed by the Commission on April 21, 2004. The April 19, 2004, filing has been redocketed as Docket No. RP04-263-000 and the April 21, 2004, notice in Docket No. RP04-24-004 has been rescinded.

Algonquin states that the purpose of this filing is to implement tariff revisions and service agreements for transportation service to be rendered by Algonquin to USGen New England, Inc. (USGen) as part of a Settlement Agreement designed to resolve all issues between Algonquin and USGen in Case No. 03-30465 (PM) in the United States Bankruptcy Court for the District of Maryland (Greenbelt Division) as well as in FERC Docket Nos. RP04-24-000, *et al.* Algonquin states that while the effective dates of the revised tariff sheets and service agreements are proposed to be March 1, 2004, and January 1, 2005, the effectiveness of these proposed tariff sheets and the agreements is contingent upon the Settlement Agreement becoming effective, including the satisfaction of the conditions precedent contained in the Settlement Agreement. Algonquin requests that the Commission Act on the instant filing at the same time as it acts on its April 19, 2004, motion to withdraw pleadings and terminate proceedings in Docket Nos. RP04-24-000, RP04-24-001, RP04-24-002 and RP04-24-003.

Algonquin states that copies of its filing have been mailed to all affected customers of Algonquin and interested state commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with sections 385.214 or 385.211 of the Commission's rules and regulations. All such motions or protests must be filed on or before the date as indicated below. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. This filing is available for review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the eLibrary. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, please contact FERC Online Support at FERCOnlineSupport@ferc.gov or toll-free at (866) 208-3676, or TTY, contact (202) 502-8659. The Commission strongly encourages electronic filings. See 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site under the e-Filing link.

[Docket No. RP04-215-000]

Tennessee Gas Pipeline Company, Complainant, v. Columbia Gulf Transmission Company, Respondent; Notice of Complaint

March 15, 2004.

Take notice that on March 12, 2004, Tennessee Gas Pipeline Company (Tennessee), pursuant to sections 4(a), 5(a), and 16 of the Natural Gas Act (NGA), and rule 206 of the Federal Energy Regulatory Commission's rules of practice and procedure, filed a Complaint and Request for Processing Under Fast Track Procedures against Columbia Gulf Transmission Company (Columbia Gulf). Tennessee alleges that Columbia Gulf has exercised its control over the Western Shore line of the Blue Water Project (BWP) and denied Tennessee a new interconnection to the BWP at Egan, Louisiana, in violation of the Commission's interconnect policy,

open access principles, and the NGA. Tennessee requests the Commission to order Columbia Gulf to immediately allow the installation of the new Egan interconnection and to fashion such other and further relief as the Commission finds necessary and proper to remedy Columbia Gulf's unlawfully anti-competitive conduct and practices.

Any person desiring to be heard or to protest this filing should file with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with rules 211 and 214 of the Commission's rules of practice and procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. The answer to the complaint and all comments, interventions or protests must be filed on or before the comment date. This filing is available for review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the "eLibrary" link. [Middle Chattahoochee Project No. 2177-053 Georgia/Alabama]

Georgia Power Company; Notice of Availability of Environmental Assessment

April 22, 2004.

In accordance with the National Environmental Policy Act of 1969 and the Federal Energy Regulatory Commission's (Commission) regulations, 18 CFR part 380 (Order No. 486, 52 FR 47897), the Office of Energy Projects (staff) has reviewed the application for a new major license for the Middle Chattahoochee Project, located on the Chattahoochee River in Harris and Muscogee Counties, Georgia, and Lee and Russell Counties, Alabama, and prepared an Environmental Assessment (EA) for the project. The project does not affect Federal lands.

In this EA, the staff analyzes the potential environmental effects of the existing project and concludes that licensing the project, with staff's recommended measures, would not constitute a major federal action significantly affecting the quality of the human environment.

A copy of the EA and application is available for review at the Commission in the Public Reference Room, or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the "e-Library" link. Enter the docket number excluding the last three digits in the docket number field to access the document.
