San Antonio Maritime Corp., and Antilles Cement Corp., v. Puerto Rico Ports Authority; Notice of Filing of Complaint and Assignment

Notice is given that a complaint has been filed by the San Antonio Maritime Corp., and Antilles Cement Corp., ("Complaints") against the Puerto Rico Ports Authority ("Respondent"). Complaints contend that Respondent has engaged in unjust, unreasonable, and unlawful practices in violation of section 10(d)(1); unreasonably refused to deal or negotiate in violation of sections 10(d)(3) and 10(b)(10); and imposed undue or unreasonable prejudice or disadvantage in violation of section 10(d)(4), of the Shipping Act of 1984, 46 U.S.C. app. 1709(d)(1), (3), and (4), and 1709(b)(10). As a direct result of these allegations, Complainants claim that they have suffered and will continue to suffer substantial ongoing economic damages and injury valued at not less than \$20 million. Complainants seek an order directing Respondent to cease and desist; establish and put into force such practices as the Commission determines to be lawful and reasonable; pay Complainants reparations, interest, costs, and attorneys fees and any other damages to be determined; and take any other such action or provide any other such relief as the Commission determines to be warranted.

This proceeding has been assigned to the Office of Administrative Law Judges. Hearing in this matter, if any is held, shall commence within the time limitations prescribed in 46 CFR 502.61, and only after consideration has been given by the parties and the presiding officer to the use of alternative forms of dispute resolution. The hearing shall include oral testimony and cross-examination in the discretion of the presiding officer only upon showing that there are genuine issues of material fact that cannot be resolved on the basis of sworn statements, affidavits, depositions, or other documents or that the nature of the matter in issue is such that an oral hearing and cross-examination are necessary for the development of an adequate record. decision of the Commission shall be issued by August 24, 2005.

Please note that we are requesting an emergency review of the information collection referenced below. In compliance with the requirement of section 3506c(2)(A) of the (OMB) the Paperwork Reduction Act of 1995, we have submitted to the Office of Management and Budget (OMB) the following requirements for emergency review. We are requesting an emergency review because the Congressional Conference Report agreement accompanying the Fiscal Year 2004 Consolidated Appropriations Act (Pub. L. 108-199), directs the Secretary to request Title X grantees to voluntarily provide the following information regarding abortions: the number of Title X-funded sites that also provide abortions with non-Federal funds. The conferees expect the Secretary to provide a report to the House and Senate appropriations committees four months after enactment of this Act summarizing the volunteered information.

Type of Information Collection Request: Emergency-Approval;
Title of Information Collection: Family Planning Survey: Title X-funded sites that also provide abortion;

Form/OMB No.: OS-0990-New;

Use: The purpose of this survey is to collect information about the number of Title X-funded family planning service delivery sites that also provide abortions with non-Federal funds. The Conference Report agreement accompanying the Fiscal Year 2004 Consolidated Appropriations Act (Pub. L. 108-199), directs the Secretary to request that Title X grantees voluntarily provide the following information regarding abortions: the number of Title X-funded sites that also provide abortions with non-Federal funds. The Conference Report language also states that the Secretary's request shall be limited to the above question with no additional information regarding the identity of the clinics or the patients receiving abortions. The Conferees directed that

when the Secretary requests the information, the letter of request should contain a statement making it clear that the grantees' responses shall be voluntary and without consequence, or threat of consequence, to non-responsiveness. The conferees further directed that the records documenting this information shall be retained by the grantee, and shall not be provided to the Secretary nor any other Federal, State, or local official or entity.

This effort will involve a one-time survey of all family planning service grantees who will be requested to voluntarily provide information on all Title X supported service delivery sites (an estimated 4,600 clinic sites across the country). The summary information provided by the service grantees will then be compiled by staff in the OFP central office. After the data is collected it will be used as the basis of a report to Congress summarizing the volunteered information.
