**SECURITIES AND EXCHANGE COMMISSION**
**Proposed Collection; Comment Request**

Upon written request, copies available from: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension:

Form N-8B-2; SEC File No. 270-186; OMB Control No. 3235-0186.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Form N-8B-2—Registration Statement of Unit Investment Trusts that are Currently Issuing Securities.

Form N-8B-2 is the form used by unit investment trusts ("UITs") that are currently issuing securities, including UITs that are issuers of periodic payment plan certificates and UITs of which a management investment company is the sponsor or depositor, to comply with the filing and disclosure requirements imposed by section 8(b) of the Investment Company Act of 1940 (15 U.S.C. 80a-8(b)). Form N-8B-2 requires disclosure about the organization of a UIT, its securities, the trustee, the personnel and affiliated persons of the depositor, the distribution and redemption of securities, and financial statements. The Commission uses the information provided in the collection of information to determine compliance

with section 8(b) of the Investment Company Act.

Based on the Commission's industry statistics, the Commission estimates that there would be approximately one initial filing on Form N-8B-2 and 11 post-effective amendment filings to the Form. The Commission estimates that each registrant filing an initial Form N-8B-2 would spend 44 hours in preparing and filing the Form and that the total hour burden for all initial Form N-8B-2 filings would be 44 hours. Also, the Commission estimates that each UIT filing a post-effective amendment to Form N-8B-2 would spend 16 hours in preparing and filing the amendment and that the total hour burden for all post-effective amendments to the Form would be 176 hours. By combining the total hour burdens estimated for initial Form N-8B-2 filings and post-effective amendments filings to the Form, the Commission estimates that the total annual burden hours for all registrants on Form N-8B-2 would be 220. Estimates of the burden hours are made solely for the purposes of the PRA, and are not derived from a comprehensive or even a representative survey or study of the costs of SEC rules and forms.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to R. Corey Booth, Director/Chief Information Officer, Office of Information Technology, Securities and Exchange Commission, 450 5th Street, NW., Washington, DC 20549.

Dated: April 27, 2004.
