

- Physical overhead, consulting, and other indirect costs including rent and depreciation on land, buildings and equipment;
 - Agency management and supervisory costs;
 - Costs of enforcement, research and establishment of regulations and guidance;
 - Use of electronic data processing equipment to collect and maintain information, *i.e.*, the actual cost of the service, including computer search time, runs and printouts; and
 - Any other direct or indirect costs related to the provision of services.
- The current fee structure of \$10.00 for each self-query by a practitioner,

provider, or supplier was announced in a **Federal Register** notice on March 3, 2000 (65 FR 11589). Based on the above criteria and our analysis of operational costs and the comparative costs of the various methods for filing and paying for queries, the Department is now lowering the self-query fee by two dollars—from \$10.00 to \$8.00.

When an authorized self-query is submitted for information by a practitioner, provider, or supplier, the appropriate total fee will be \$8.00 multiplied by the number of individuals or organizations about whom the information is being requested.

In order to minimize administrative costs, the Department will continue to accept payment for self-queries only by credit card. The HIPDB accepts Visa, MasterCard, and Discover. To submit queries, practitioners, providers, and suppliers must use the HIPDB Web site at <http://www.npdb-hipdb.com>.

The Department will continue to review user fees periodically for the HIPDB, and will revise such fees as necessary. Any future changes in fees and their effective date will be announced through notice in the **Federal Register**.

Notice of Meeting: Secretary's Advisory Committee on Genetics, Health, and Society

Pursuant to Public Law 92-463, notice is hereby given of the fourth meeting of the Secretary's Advisory Committee on Genetics, Health, and Society (SACGHS), U.S. Public Health Service. The meeting will be held from 8:30 a.m. to 5 p.m. on June 14, 2004, and 8 a.m. to 3 p.m. on June 15, 2004, at the Marriott Hotel Bethesda at 5151 Pooks Hill Road, Bethesda, Maryland. The meeting will be webcast. The meeting will be open to the public with attendance limited to space available.

The first half of the first day will be devoted to an informational update on the status of genetic nondiscrimination legislation and presentation and discussion of an information gathering activity conducted by the Committee's education task force. In addition, the Committee will be reviewing a draft resolution on genetics education and training. The second half of the first day will consist of discussion and deliberation on a draft report on the

issue of coverage and reimbursement for genetic technologies. The second day will be devoted to discussions around a draft resolution on the issue of direct-to-consumer marketing and consideration of a draft Vision Report. Time will be provided each day for public comment.

Under authority of 42 U.S.C. 217a, section 222 of the Public Health Service Act, as amended, the Department of Health and Human Services established SACGHS to serve as a public forum for deliberations on the broad range of human health and societal issues raised by the development and use of genetic technologies and, as warranted, to provide advice on these issues.

The draft meeting agenda and other information about SACGHS, including information about access to the webcast, will be available at the following Web site: <http://www4.od.nih.gov/oba/sacghs.htm>. Individuals who wish to provide public comment or who plan to attend the meeting and need special assistance, such as sign language interpretation or other reasonable accommodations, should notify the SACGHS Executive Secretary, Ms. Sarah Carr, by telephone at 301-496-9838 or e-mail at sc112c@nih.gov. The SACGHS office is located at 6705 Rockledge Drive, Suite 750, Bethesda, MD 20892.

Dated: April 29, 2004.
LaVerne Stringfield,
Director, Office of Federal Advisory Committee Policy.
