#### Third Meeting of the World Trade Center Expert Technical Review Panel To Continue Evaluation on Issues Relating To Impacts of the Collapse of the World Trade Center Towers

**AGENCY:** Environmental Protection Agency.

**ACTION:** Notice of meeting.

**SUMMARY:** The World Trade Center Expert Technical Review Panel will hold its third meeting intended to provide for greater input from individuals on ongoing efforts to monitor the situation for New York residents and workers impacted by the collapse of the World Trade Center. The panel members will help guide the EPA's use of the available exposure and health surveillance databases and registries to characterize any remaining exposures and risks, identify unmet public health needs, and recommend any steps to further minimize the risks associated with the aftermath of the World Trade Center attacks. The panel will meet several times over the course of approximately two years. These panel meetings will be open to the public, except where the public interest requires otherwise. Information on the panel meeting agendas, documents (except where the public interest requires otherwise), and public registration to attend the meetings will be available from an Internet Web site. EPA has established an official public docket for this action under Docket ID No. ORD-2004-0003.

**DATES:** The third meeting of this panel will be held on May 24, 2004 from 10 a.m. to 5 p.m., Eastern Daylight Savings Time. On-site registration will begin at 9 a.m.

**ADDRESSES:** The meeting will be held at St. John's University, Saval Auditorium, 101 Murray Street (between Greenwich Street and West Side Highway), New York City (Manhattan). The auditorium is located on the second floor of the building and is handicap accessible. A government-issued identification (e.g., driver's license) is required for entry.
