Title of Proposal: Annual Lead-Based Paint Activity Report.

OMB Control Number: 2577-0090.

Description of the need for the information and proposed use: HUD needs the information to assure statutory and regulatory compliance with The Lead-Based Paint Poisoning Prevention Act (LBPPA), as amended (42 U.S.C. 4821-4846) which requires public and Indian housing agencies (HAs) to randomly sample their pre-1978 developments for the presence of LBP. Congress directed HUD to establish an adequate management information system for measuring and reporting on HAs' performance on LBP activities. HUD revised the tracking system for collecting lead-based paint data. The system collects less, but different data. HAs use the Form HUD-52850 to submit information on LBP. HUD reports the information to Congress as required by statute.

Members of affected public: State, Local or Tribal government.

Estimation of the total number of hours needed to prepare the information collection including number of respondents: 3,100 respondents; one response per respondent annually; one hour average per response, 3,100 total reporting burden hours per year.
