### Pacific Gas and Electric Company; Notice of Telephone Conference Call

May 7, 2004.

The Federal Energy Regulatory Commission (FERC) staff will hold a telephone conference call in the above-referenced dockets on Thursday, May 13, 2004 at 12 Noon (9 a.m. Pacific Time).

The purpose of the telephone conference call is to establish a time and place for the initial technical conference to address the issues raised in these dockets, to establish a procedural schedule for additional technical conferences, and to prepare an agenda of the issues the parties want to discuss during the technical conferences.

Interested parties are invited to call telephone number 1-888-606-9535. Parties will need to provide the leader's name, Julia Lake, and the passcode, Lake, in order to access the call.

Parties are encouraged to submit any additional questions or issues they wish to have addressed during the telephone conference call. Questions about the telephone conference call should be directed to: Julia A. Lake, Office of the General Counsel—Markets, Tariffs and

Rates, Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, 202-502-8370, [julia.lake@ferc.gov](mailto:julia.lake@ferc.gov).

### Standards of Conduct for Transmission Providers; Notice of Agenda for Technical Conference

May 7, 2004.

This notice provides additional information concerning the May 10, 2004 technical conference to discuss the Standards of Conduct for Transmission Providers governing the relationships between transmission providers and their energy affiliates. (See April 19, 2004, Notice of Technical Conference.) The conference will begin at 10 a.m. (CST) at the Doubletree Hotel—Allen Center, 400 Dallas Street, Houston, Texas. The meeting will conclude at approximately 4 p.m. All interested persons are invited to attend. There is no registration fee.

This agenda has been organized to reflect the interests of those who have submitted questions. As a result of feedback regarding the organization of this conference, the afternoon sessions will continue in one group rather than break out into smaller groups as suggested in the previous Notice. Also, in response to several inquiries, attire for the conference will be business casual.

Standing microphones will be available to enable those in the audience to participate in the discussion, as issues arise. Capitol Connection offers the opportunity to listen to the conference from remote locations. It is available for a fee, live over the Internet, by phone or via satellite. Persons interested in receiving the audiocast, or who need information on making arrangements should contact David Reininger or Julia Morelli at Capitol Connection (703-993-3100) as soon as possible or visit the Capitol Connection Web site at <http://www.capitolconnection.org> and click on "FERC."

Questions about the conference should be directed to: Demetra Anas, Office of Market Oversight and Investigations, Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, 202-502-8178.
