DEPARTMENT OF HOMELAND SECURITY**Coast Guard****33 CFR Part 165**

[CGD09–04–009]

RIN 2115–AA00

Security Zone; Cleveland Harbor, Cleveland, OH

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary security zone in Cleveland's inner harbor for the Ninth District Commander's change of command ceremony. The security zone is necessary to ensure the security of dignitaries attending this ceremony on May 21, 2004. The security zone is intended to restrict vessels from a portion of Cleveland Harbor in Cleveland, Ohio.

DATES: This rule is effective from noon (local) until 3 p.m., May 21, 2004.

ADDRESSES: Comments and material received from the public, as well as documents indicated in this preamble as being available in the docket, are part of

docket [CGD09–04–009] and are available for inspection or copying at the U.S. Coast Guard Marine Safety Office Cleveland, 1055 East Ninth Street, Cleveland, Ohio 44114, between the hours of 7:30 a.m. and 3:30 p.m., Monday through Friday, except Federal Holidays.

FOR FURTHER INFORMATION CONTACT: LT Allen Turner, U.S. Coast Guard Marine Safety Office Cleveland, at (216) 937–0128.

SUPPLEMENTARY INFORMATION:**Regulatory Information**

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing an NPRM. The exact date of the event was not known with sufficient time to allow for the publication of an NPRM followed by an effective date before the event. Any delay in the effective date of the event could pose unnecessary risks to those dignitaries attending the event.

Background and Purpose

The security zone will encompass all waters of Cleveland Harbor south of a line drawn from the northeast corner of Voinovich Park (41°30'40.5" N, 081°41'47.5" W) to the northwest corner of Burke Lakefront Airport (41°30'48.5" N, 081°41'37" W). These coordinates are based upon North American Datum (NAD 1983).

Entry into, transit through, or anchoring within this security zone is prohibited unless authorized by the Captain of the Port Cleveland or his designated on-scene representative. The designated on-scene representative will be the Coast Guard Patrol Commander. The Coast Guard Patrol Commander may be contacted via VHF Channel 16.

Regulatory Evaluation

This rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. It is not "significant" under the regulatory policies and procedures of the Department of Homeland Security (DHS).

The security zone will only be in effect for a few hours on the day of the event and vessels may easily still transit inside the Cleveland Harbor breakwall.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered

whether this rule would have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

This rule will affect the following entities: The owners or operators of vessels intending to transit or anchor in this portion of Cleveland Harbor from noon (local) to 3 p.m. on May 21, 2004. This regulation will not have a significant economic impact for the following reasons. The regulation is only in effect for one day of the event. The designated area is being established to allow for maximum use of the waterway for commercial and recreational vessels. The Coast Guard will inform the public that the regulation is in effect via Marine Information Broadcasts.

Assistance for Small Entities

Under Section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we offer to assist small entities in understanding the rule so that they can better evaluate its effects on them and participate in the rulemaking process. Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the U.S. Coast Guard, call 1–888–REG–FAIR (1–888–734–3247).

Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

Federalism

We have analyzed this rule under Executive Order 13132, Federalism, and have determined that this rule does not have implications for federalism under that Order.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this proposed rule would not result in such expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This rule will not affect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

The Coast Guard has analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulation That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a “significant energy action” under that order because it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. It has not been designated by the Administrator of the Office of Information and Regulatory Affairs as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes,

or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Environment

We have considered the environmental impact of this rule and concluded that under figure 2–1, paragraph (34)(g), of Commandant Instruction M16475.1C, this rule is categorically excluded from further environmental documentation. A written categorical exclusion determination is available in the docket for inspection or copying where indicated under **ADDRESSES**.
