SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on February 13, 2003, based on a complaint filed by Deere & Company ("Deere") of Moline, Illinois. 68 FR 7388 (February 13, 2003). The complaint, as supplemented alleged violations of section 337 of the Tariff Act of 1930 in the importation into the United States, sale for importation, and sale within the United States after importation of certain agricultural vehicles and components thereof by reason of infringement and dilution of U.S. Registered Trademarks Nos. 1,254,339; 1,502,103; 1,503,576; and 91,860.

On August 27, 2003, the Commission issued notice that it had determined not to review Order No. 14, granting

complainant's motion to amend the complaint and notice of investigation to add U.S. Trademark Registration No. 2,729,766.

On November 14, 2003, the Commission issued notice that it had determined not to review Order No. 29, granting complainant's motion for summary determination that complainant had met the technical prong of the domestic industry requirement.

On January 13, 2004, the presiding administrative law judge ("ALJ") issued his final initial determination ("ID") finding a violation of section 337. He also recommended the issuance of remedial orders. Two groups of respondents petitioned for review of the ID. Complainant and the Commission investigative attorney ("IA") filed oppositions to those petitions.

On February 18, 2004, the Commission issued notice that it had decided to extend the time to determine whether to review the ID to March 29, 2004, and to extend the target date for completing the investigation to May 13, 2004.

On March 30, 2004, the Commission issued notice that it had decided not to review the ID and set a schedule for written submissions on remedy, the public interest, and bonding. Complainant, respondents, and the IA timely filed such submissions.

Having examined the relevant portions of the record in this investigation, including the ALJ's recommended determination, the written submissions on remedy, public interest, and bonding, and the replies thereto, the Commission determined to issue (1) a general exclusion order prohibiting the unlicensed entry for consumption of European version self-propelled forage harvesters manufactured by or under the authority of Deere & Co. which infringe any of the asserted trademarks, (2) a limited exclusion order prohibiting the unlicensed entry for consumption of European version telehandlers manufactured by or under the authority of Deere & Co. which infringe any of the asserted trademarks, (3) a limited exclusion order prohibiting the unlicensed entry for consumption of agricultural tractors which infringe one or more of U.S. Registered Trademarks Nos. 1,254,339; 1,502,103; and 1,503,576, (4) cease and desist orders to
