

Permit Application No. 2005-004*Activity for Which Permit Is Requested*

Enter Antarctic Specially Protected Areas. The applicant proposes take photographs of named geographic features throughout the McMurdo Sound region. The photographs will illustrate a geographically arranged gazetteer or "field guide" to the features. The applicant proposes to enter the Barwick Valley, Victoria Land (ASPA #123) to fully document the Barwick Valley features which will benefit the scientific community in current and future work. Delineating data accompanying each photograph will include latitude, longitude, altitude, date, time, elevation, look direction, focal length and associated camera settings. The photographs and accompanying data will provide the potential for contemporary and future comparative studies of landscape change, thereby reducing need for access to the ASPA. The applicant proposes approximately 5-days work in the Barwick Valley and will fully comply with the designated management plan for the site. Furthermore, the applicant will visit Cape Crozier (ASPA #124) to film Wilson's Stone Igloo and The Knoll, avoiding the penguin and skua rookeries.

In addition, the applicant proposes to enter Discovery Hut (ASPA #157), Cape Evans Historic Site (ASPA #154), and Hut and Associated Artifacts, Backdoor Bay, Cape Royds (ASPA #156) for the purpose of reproducing historic photos of the area for use in the described gazetteer.

DEPARTMENT OF NATIONAL SCIENCE FOUNDATION**Proposal Review; Notice of Meetings**

In accordance with the Federal Advisory Committee Act (Pub. L. 92-463, as amended), the National Science Foundation (NSF) announces its intent to hold proposal review meetings throughout the year. The purpose of these meetings is to provide advice and recommendations concerning proposals submitted to the NSF for financial support. The agenda for each of these meetings is to review and evaluate proposals as part of the selection process for awards. The review and evaluation may also include assessment of the progress of awarded proposals. The majority of these meetings will take place as NSF, 4201 Wilson, Blvd., Arlington, Virginia 22230.

These meetings will be closed to the public. The proposals being reviewed include information of a proprietary or confidential nature, including technical information; financial data, such as salaries; and personal information concerning individuals associated with the proposals. These matters are exempt under 5 U.S.C. 552b(c), (4) and (6) of the Government in the Sunshine Act. NSF will continue to review the agenda and merits of each meeting for overall compliance of the Federal Advisory Committee Act.

These closed proposal review meetings will not be announced on an individual basis in the Federal Register. NSF intends to publish a notice similar to this on a quarterly basis. For an advance listing of the closed proposed review meetings that include the names of the proposal review panel and the time, date, place, and any information on changes, corrections, or cancellations, please visit the NSF Website: <http://www.nsf.gov/home/pubinfo/advisory.htm>. This information may also be requested by telephone (703) 292-8182.

Dated: May 19, 2004.

Susanne Bolton,

Committee Management Officer.
