

exports. As required by 19 CFR 351.214(b)(2)(i) and (iii)(A), Longkou Jinzheng has certified that it did not export brake rotors to the United States during the period of investigation ("POI"), and that it has never been affiliated with any exporter or producer which did export brake rotors during the POI (see December 15, 2003, submission). Longkou Jinzheng has further certified that its export activities are not controlled by the central government of the PRC, satisfying the requirements of 19 CFR 351.214(b)(2)(iii)(B). Pursuant to 19 CFR 351.214(b)(2)(iv)(A), Longkou Jinzheng provided the date of the first sale to an unaffiliated customer in the United States. Longkou Jinzheng submitted documentation establishing the date on which it first shipped the subject merchandise to the United States and the volume and date of entry of that shipment.

In accordance with section 751(a)(2)(B) of the Tariff Act of 1930 ("the Act"), as amended, and 19 CFR 351.214(b), and based on our analysis of the information and documentation provided with the new shipper review request, as well as our analysis of proprietary import data from U.S. Customs and Border Protection ("CBP"), we find that Longkou Jinzheng has met the requirements for the Department to initiate a new shipper review (for more details, see New Shipper Initiation Checklist for Longkou Jinzheng). Therefore, we are initiating a new shipper review for Longkou Jinzheng.

In cases involving non-market economies, it is the Department's normal practice to require that a company seeking to establish eligibility for an antidumping duty rate separate from the country-wide rate provide *de jure* and *de facto* evidence of an absence of government control over the company's export activities (see *Natural Bristle Paintbrushes and Brush Heads from the People's Republic of China*, 68 FR 57875 (October 7, 2003)).

Accordingly, we will issue a questionnaire to Longkou Jinzheng (including a complete separate rates section), allowing approximately 37 days for response. If the response from Longkou Jinzheng provides sufficient indication that it is not subject to either *de jure* or *de facto* government control with respect to its exports of brake rotors, the review will proceed. If the respondent does not demonstrate its eligibility for a separate rate, then it will be deemed to be affiliated with other companies that exported during the POI and that it did not establish entitlement to a separate rate, and the review of that respondent will be rescinded.

Initiation of Review

In accordance with section 751(a)(2)(B)(ii) of the Act and 19 CFR 351.214(d)(1), we are initiating a new shipper review of the antidumping duty order on brake rotors from the PRC. Normally, we would issue the preliminary results of this review not later than 180 days after the date on which the review is initiated. However, on May 7, 2004, Longkou Jinzheng agreed to waive the time limits in order that the Department, pursuant to 19 CFR 351.214(j)(3), may conduct this review concurrent with the seventh administrative review of this order for the period April 1, 2003, through March 31, 2004, which is being conducted pursuant to section 751(a)(1) of the Act. Therefore, we intend to issue the final results of this review not later than 245 days after the last day of the anniversary month.

Antidumping duty new shipper review	Period to be reviewed
PRC: Brake Rotors, A-570-846: Longkou Jinzheng Machinery Co., Ltd	04/01/03-03/31/04

We will instruct CBP to allow, at the option of the importer, the posting, until the completion of the review, of a bond or security in lieu of a cash deposit for each entry of the subject merchandise from Longkou Jinzheng. This action is in accordance with section 751(a)(2)(B)(iii) of the Act, as amended, and 19 CFR 351.214(e). Because Longkou Jinzheng has certified that it both produces and exports the subject merchandise, the sale of which was the basis for its new shipper review request, we will apply the bonding privilege only to entries of subject merchandise for which it is both the producer and exporter.

Interested parties that need access to proprietary information in this new shipper review should submit applications for disclosure under administrative protective order in accordance with 19 CFR 351.305 and 351.306.

This initiation and notice are in accordance with section 751(a)(2)(B) of the Act (19 U.S.C. 1675(a)) and 19 CFR 351.214(d).

Dated: May 20, 2004.

Jeffrey May,

Deputy Assistant Secretary for Import Administration.

Freshwater Crawfish Tail Meat From the People's Republic of China: Extension of Time Limit for Final Results of New Shipper Review

AGENCY: Import Administration, International Trade Administration, U.S. Department of Commerce.

SUMMARY: The Department of Commerce is extending the time limit for the final results of the new shipper review of the antidumping duty order on freshwater crawfish tail meat from the People's Republic of China until no later than July 23, 2004. The period of review is September 1, 2002 through February 28, 2003. This extension is made pursuant to section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the Act).

EFFECTIVE DATE: May 26, 2004.

FOR FURTHER INFORMATION CONTACT: Thomas Gilgunn or Addilyn Chams-Eddine, AD/CVD Enforcement Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-4236 or (202) 482-0648, respectively.

SUPPLEMENTARY INFORMATION:

Statutory Time Limits

Section 751(a)(2)(B)(iv) of the Act requires the Department to issue the final results of a new shipper review within 90 days after the date on which the preliminary results were issued. However, if the Department determines the issues are extraordinarily complicated, section 751(a)(2)(B)(iv) of the Act allows the Department to extend the deadline for the final results to up to 150 days after the date on which the preliminary results were issued.

Background

On March 31, 2003, the Department received a timely request for a new shipper review under the antidumping duty order on freshwater crawfish tail meat from the People's Republic of China in accordance with § 751(a)(2)(B) of the Act and § 351.214(c) of the Department's regulations from Shanghai Ocean Flavor International Trading Co., Ltd. (Shanghai Ocean Flavor). On April 30, 2003, the Department initiated this new shipper review for the period September 1, 2002 through February 28, 2003. See *Freshwater Crawfish Tail Meat From the People's Republic of China: Initiation of Antidumping Duty New Shipper Review*, 68 FR 23962 (May 6, 2003).

On September 15, 2003, the Department extended the preliminary results of this new shipper review by 120 days until February 24, 2004. *See Freshwater Crawfish Tail Meat From the People's Republic of China: Extension of Time Limit of Preliminary Results of New Shipper Review*, 68 FR 53960 (September 15, 2003).

On February 24, 2004, the Department issued the preliminary results of this review. *See Notice of the Preliminary Results of Antidumping Duty New Shipper Review: Freshwater Crawfish Tail Meat From the People's Republic of China*, 69 FR 9800 (March 2, 2004). On April 5, 2004, the petitioners and respondent each submitted a case brief for the Department's consideration prior to the final determination in this new shipper review. On April 12, 2004, petitioners and respondent submitted a rebuttal brief to the Department. On April 26, 2004, the Department sent a supplemental questionnaire to the respondent. On May 3, 2004, respondent submitted its response to the Department's supplemental questionnaire. At the request of petitioners, the Department held a hearing on May 5, 2004. A portion of the hearing was conducted in closed session in accordance with § 351.310(f) of the Department's regulations.

Extension of Time Limit for Final Results

Pursuant to section 751(a)(2)(B)(iv) of the Act, the Department may extend the deadline for completion of the final results of a new shipper review if it determines that the case is extraordinarily complicated. The Department has determined that this case is extraordinarily complicated because of the issues that must be addressed regarding the *bona fides* of the new shipper sales. Therefore, the final results of this new shipper review cannot be completed within the statutory time limit of 90 days. Because the Department issued an additional supplemental questionnaire on April 26, 2004, and the response to this supplemental questionnaire was filed on May 3, 2004, there is new information relating to the *bona fides* of the new shipper sales. Thus, the Department must analyze the information submitted by Shanghai Ocean Flavor in its supplemental questionnaire response and any comments or additional factual information which the petitioners may submit. Additionally, the Department may find it necessary to request further information regarding the *bona fides* from the respondent in this new shipper review. Therefore, in accordance with

§ 751(a)(2)(B)(iv) of the Act and § 351.214(i)(2) of the regulations, the Department is extending the time limit for the completion of final results to 150 days from the date on which the preliminary results were issued. The final results will now be due no later than July 23, 2004.

This notice is published pursuant to sections 751(a)(2)(B) and 777(i)(1) of the Act.

Dated: May 20, 2004.

Joseph A. Spetrini,

Deputy Assistant Secretary for Import Administration, Group III.

Notice of Extension of Time Limit of Final Results of New Shipper Review: Glycine from the People's Republic of China

AGENCY: Import Administration, International Trade Administration, U.S. Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is extending the time limit for the final results of the new shipper review of the antidumping duty order on glycine from the People's Republic of China (PRC) until no later than July 23, 2004. The period of review is March 1, 2002, through February 28, 2003. This extension is made pursuant to section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the Act).

EFFECTIVE DATE: May 26, 2004.

FOR FURTHER INFORMATION CONTACT:

Christian Hughes or Matthew Renkey, AD/CVD Enforcement, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington D.C. 20230; telephone: (202) 482-0190 or (202) 482-2312, respectively.

SUPPLEMENTARY INFORMATION:

Background

On March 29, 1995, the Department published in the *Federal Register* an antidumping duty order on glycine from the PRC. *See Antidumping Duty Order: Glycine from the People's Republic of China*, 60 FR 16116 (March 29, 1995). In accordance with section 351.214(b) of the Department's regulations, on March 26, 2003, the Department received a timely request for a new shipper review from Hebei New Donghua Amino Acid Co. Ltd. (New Donghua). On

April 30, 2003, the Department initiated this new shipper review for the period March 1, 2002, through February 28, 2003. *See Glycine from the People's Republic of China: Initiation of Antidumping New Shipper Review*, 68 FR 23962 (May 6, 2003). The Department completed the preliminary results of this new shipper review on February 24, 2004. *See Notice of Preliminary Results of Antidumping Duty New Shipper Review: Glycine from the People's Republic of China*, 69 FR 9804 (March 2, 2004).

Extension of Time Limits for Final Results

Section 351.214(i)(1) of the Department's regulations requires the Department to issue final results of a new shipper review within 90 days after the date on which the preliminary results were issued. However, if the Secretary concludes that a new shipper review is extraordinarily complicated, the Secretary may extend the 90-day period to 150 days under section 351.214(i)(2) of the Department's regulations.

The Department finds that this new shipper review is extraordinary complicated, and the final results of this new shipper review cannot be completed within the normal time limit because of the issue surrounding the *bona fide* nature of the sales under review, and information presented to the Department for the first time at verification. Therefore, in accordance with section 751(a)(2)(B)(iv) of the Act and section 351.214(i)(2) of the Department's regulations, the Department is extending the time limit for the completion of final results to 150 days. The final results will now be due no later than July 23, 2004.

This notice is published pursuant to sections 751(a)(2)(B) and 777(i)(1) of the Act.

Dated: May 20, 2004.
