Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The purpose of the Native Hawaiian Education program is to support innovative projects that enhance the educational services provided to Native Hawaiian children and adults.

Priorities: For the FY 2004 competition, we have established both an absolute priority and an invitational priority.

Absolute Priority

The absolute priority, which we have established in accordance with 34 CFR 75.105(b)(2)(iv), is from section 7205(a)(2)(C) of the Elementary and Secondary Education Act of 1965, as amended (20 U.S.C. 7515(a)(2)(C)). Under 34 CFR 75.105(c)(3), we consider only applications that meet this absolute priority.

This absolute priority is for a project in which the grantee must use the funds awarded to support a graduate-level educational program that addresses the needs of Native Hawaiians in fields or disciplines in which Native Hawaiians are underemployed, which may include the legal profession.

The Secretary interprets the authorizing statute to prohibit the grantee from using funds awarded under

this competition for legal services, including preparation for pending or future litigation.

Invitational Priority

Within this absolute priority, we are particularly interested in applications that address the following invitational priority. Under 34 CFR 75.105(c)(1), we do not give an application that meets this invitational priority a competitive or absolute preference over other applications.

This invitational priority is for a program provided by an institution of higher education that focuses on the history and culture of Native Hawaiians.

Program Authority: 20 U.S.C. 7515-7517.

Applicable Regulations: The Education Department General Administrative Regulations in 34 CFR parts 74, 75, 77, 79, 80, 81, 82, 84, 85, 86, 97, 98, and 99. The regulations in 34 CFR part 86 apply to institutions of higher education only.
