

FOR FURTHER INFORMATION CONTACT: Bob Kirby, Superintendent, Petersburg National Battlefield at (804) 732-3571 X105.

SUPPLEMENTARY INFORMATION: Petersburg National Battlefield does not currently have a General Management Plan. The park's existing Master Plan (1965) was primarily a facility development plan and all of its major recommendations have been completed. The GMP/EIS presents and analyzes four alternatives for preserving resources, enhancing interpretation, providing visitor services and working with partners. Three of these alternatives propose boundary expansion. The GMP/EIS responds to the park's mission and the challenges facing the park and adjacent communities today.

If you wish to comment, you may submit your comments by any one of several methods. Please include your name and return address in your surface, Internet or e-mail message. Our practice is to make comments, including names and home addresses of respondents, available for public review during regular business hours. Individual respondents may request that we withhold their home address from the record, which we will honor to the extent allowable by law. There also may be circumstances in which we would withhold from the record a respondent's identity, as allowable by law. If you wish us to withhold your name and/or address, you must state this prominently at the beginning of your comment. We will make all submissions from individuals identifying themselves as representatives or officials of organizations or businesses, available for public inspection in their entirety.
