FEDERAL TRADE COMMISSION**Agency Information Collection Activities; Proposed Collection; Comment Request; Extension; Correction**

AGENCY: Federal Trade Commission ("FTC" or "Commission").

ACTION: Notice; correction.

SUMMARY: The Federal Trade Commission published a document in the **Federal Register** of May 17, 2004, seeking public comments on its proposal to extend through August 31, 2007, the current Paperwork Reduction Act clearance for information collection requirements contained in its regulations under the Comprehensive Smokeless Tobacco Health Education Act of 1986 ("Smokeless Tobacco Act" or the "Act"). The document contained an incorrect matter number and did not include an e-mail address for submitting public comments in electronic form.

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the proposed information requirements should be addressed to Rosemary Rosso, Attorney, Division of Advertising Practices, Bureau of Consumer Protection, Federal Trade Commission, Washington, DC 20580, (202) 326-2174.

Correction

In the **Federal Register** of May 17, 2004, in FR Doc. 04-11101, on page 27926, in the second column, correct the **ADDRESSES** caption to read:

ADDRESSES: Interested parties are invited to submit written comments. Comments should refer to "Smokeless tobacco Regulations: Paperwork

Comment, [R01009]" to facilitate the organization of comments. A comment filed in paper form should include this reference both in the text and on the envelope, and should be mailed or delivered to the following address: Federal Trade Commission/Office of the Secretary, Room H-159, 600 Pennsylvania Avenue, NW., Washington, DC 20580. If the comment contains any material for which confidential treatment is requested, it must be filed in paper (rather than electronic) form, and the first page of the document must be clearly labeled "Confidential."¹ The FTC is requesting that any comment filed in paper form be sent by courier or overnight service, if possible, because U.S. postal mail in the Washington area and at the Commission is subject to delay due to heightened security precautions. Comments filed in electronic form (except comments containing any confidential material) should be sent to the following e-mail box: smokelesstobacco@ftc.gov.

The FTC Act and other laws the Commission administers permit the collection of public comments to consider and use in this proceeding as appropriate. All timely and responsive public comments, whether filed in paper or electronic form, will be considered by the Commission, and will be available to the public on the FTC Web site, to the extent practicable, at <http://www.ftc.gov>. As a matter of discretion, the FTC makes every effort to remove home contact information for individuals from the public comments it receives before placing those comments on the FTC Web site. More information, including routine uses permitted by the Privacy Act, may be found in the FTC's privacy policy, at <http://www.ftc.gov/ftc/privacy.htm>.

Secretary.
