#### NTP Board of Scientific Counselors

The Board is a federally chartered advisory committee comprised of scientists from the public and private sectors who provide primary scientific oversight to the NTP on its overall program and centers. Specifically, the Board advises the NTP on matters of scientific program content, both present and future, and conducts periodic review of the program for the purposes of determining and advising on the scientific merit of its activities and their overall scientific quality. Its members are selected from recognized authorities knowledgeable in fields, such as toxicology, pharmacology, pathology, biochemistry, epidemiology, risk assessment, carcinogenesis, mutagenesis, molecular biology, behavioral toxicology and neurotoxicology, immunotoxicology, reproductive toxicology or teratology, and biostatistics. The NTP strives for equitable geographic distribution and minority and female representation on the Board. The Secretary of Health and Human Services appoints members to

the Board and they are invited to serve overlapping terms of up to four years. Meetings are held once or twice annually for the Board and its two standing subcommittees (the Report on Carcinogens Subcommittee and the Technical Reports Review Subcommittee).

*OMB Control Number, if applicable:* 2502-0524.

*Description of the need for the information and proposed use:* The

documents requested are used to determine the eligibility of a loan application for FHA's mortgage insurance. For the Insurance for Mortgage to Refinance Existing HECMs, control number 2502-0546 and HECM Consumer Protection Measures Against Excessive Fees, OMB control number 2502-0534, which is being replaced with this PRA package, please see the following language:

The Insurance for Mortgages to Refinance Existing HECMs, Section 255(k) of the National Housing Act establishes a "Disclosure" requirement, which is designed to ensure that homeowners are made aware of the costs associated with HECM refinancing. This regulator provision would require that the lender provide the mortgagor, a good faith estimate of: (a) Total cost of the refinancing; and (b) Increase in the mortgagor's principal limit as measured by the estimated initial principal limit on the mortgage to be insured less the current principal limit on the HECM that is being refinanced.

To assure that the homeowner is not obtaining a HECM mortgage under an obligation to pay excess fees for services, the lender must establish that the mortgagor will not have incurred such outstanding or unpaid obligations in connection with the mortgage; and that the initial payment from the HECM will not be used to pay to or on behalf of an estate planning service firm. At closing, the lender must assure that the homeowner has received full disclosure of all costs of obtaining the mortgage, including asking the mortgagor about any costs or other obligations that the mortgagor has incurred to obtain the mortgage, and confirm that the mortgagor will not use any part of the amount disbursed for payments to or on behalf of an estate planning firm.

*Agency form numbers, if applicable:* FNMA 1009 and HUD Form 92901.
