

raised by the parties in their comments, within 120 days of publication of the preliminary results. The assessment of antidumping duties on entries of merchandise covered by this review and future deposits of estimated duties shall be based on the final results of this review.

#### Duty Assessments

The Department shall determine, and CBP shall assess, antidumping duties on all appropriate entries. According to 19 CFR 351.212(b)(1), the Department normally will calculate an assessment rate for each importer of subject merchandise covered by the review by dividing the dumping margin found on the subject merchandise examined by the entered value of such merchandise for normal customs duty purposes. In the instant review, for the respondents receiving dumping rates based upon AFA, the Department will instruct CBP to liquidate entries according to the AFA *ad valorem* rate. For the respondents being rescinded from this review, the Department will instruct CBP to assess antidumping duties at the cash deposit rate in effect at the time of entry. The Department will issue appropriate appraisal instructions directly to CBP within fifteen days of publication of the final results of review.

#### Cash Deposit Rates

The following cash deposit requirements will be effective upon completion of the final results of this administrative review for all shipments of rebar from Korea entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(1) of the Act: (1) The cash deposit rate for Dongil and Hanbo will be the rate established in the final results of this review; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent review period; (3) if the exporter is not a firm covered in this review, a prior review, or the LTFV investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the subject merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 22.89 percent, the "all others" rate made effective by the LTFV investigation. See *Notice of Final Determination of Sales at Less Than Fair Value: Steel Concrete Reinforcing Bars From the Republic of Korea*, 66 FR

33526 (June 22, 2001). These required cash deposit rates shall remain in effect until publication of the final results of the next administrative review.

#### Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: June 2, 2004.
