

Statement (DEIS) for coal bed natural gas development in the northern portion of the San Juan Basin, in La Plata and Archuleta Counties, Colorado. The Joint Lead Agencies have prepared the DEIS to provide agency decision makers and the public with comprehensive environmental impact information on which to base coal bed natural gas development decisions.

DATES: The Joint Lead Agencies will accept written comments on the DEIS for 90 days following the date that the Environmental Protection Agency publishes its notice of availability of the DEIS in the **Federal Register**.

The Joint Lead Agencies will hold public meetings in Durango, Bayfield and Pagosa Springs, Colorado. The times and dates for these meetings will be announced at least 15 days in advance using local media. The Joint Lead Agencies will notify all parties on this project's mailing list of the dates, times and locations of the meetings and of the timeframes for comment submittal.

ADDRESSES: Please address questions, comments or requests for copies of the DEIS to the Northern San Juan Basin CBM EIS, USDA FS Content Analysis Team, P.O. Box 221150, Salt Lake City, Utah 84122. Electronic comment may be submitted to nbasin-cbm-eis@fs.fed.us. The DEIS is also available on the Internet at <http://nsjb-eis.org/>.

DEIS comments, including names and street addresses of respondents, will be available for public review at the San Juan Public Lands Center, 15 Burnett Court, Durango, Colorado, during regular business hours (8 a.m. to 4:30 p.m.), Monday through Friday, except holidays.

Individual respondents may request confidentiality. If you wish to withhold your name or street address from public review or from disclosure under the Freedom of Information Act, you must state this prominently at the beginning of your written comment. Such requests will be honored to the extent allowed by law. Anonymous comments will not be considered. All submissions from organizations or businesses, and from individuals identifying themselves as representatives of officials of organizations or businesses, will be made available for public inspection in their entirety.

FOR FURTHER INFORMATION CONTACT: Walt Brown or Jim Powers at the above address, or phone: (970) 385-1304.

SUPPLEMENTARY INFORMATION: The DEIS analyzes industry's gas field development proposal (approximately three hundred new wells) and six other alternatives in a 125,000-acre Study

Area in the Northern San Juan Basin of Colorado. The Study Area occupies portions of La Plata and Archuleta Counties, and is bounded on the south by the Southern Ute Reservation and on the west, north and east by the arching line of the base of the Pictured Cliffs sandstone.

The Study Area consists of approximately 7,000 acres of BLM administered land, 49,000 acres of U.S. Forest Service administered land, 9,000 acres of private lands with federal minerals and 60,000 acres of state or privately held (fee) lands with non-federal minerals.

Dated: December 19, 2004.

Mark W. Stiles,

BLM Center Manager/U.S.F.S. Forest Supervisor, San Juan Public Lands Center, Durango, Colorado.

Editorial Note: This document was received at the Office of the Federal Register on May 27, 2004.

DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[CA-180-1220 PA]

Notice of a Pilot Study Based on a Scoping Paper To Determine the Feasibility of Commercial Kayak Instruction on the Mokelumne River in Amador and Calaveras County, CA

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: Notice is hereby given that the Bureau of Land Management (BLM), Folsom Field Office is considering a study to determine the feasibility of providing commercial Kayak instruction opportunities on the Mokelumne River, between the Electra powerhouse and the East Bay Municipal Utility District's Take-out facility.

DATES: The study will take place between June 1, 2004 and September 30, 2007.

ADDRESSES: Bureau of Land Management, Folsom Field Office, 63 Natoma Street, Folsom, California, 95630. Phone: (916) 985-4474.

FOR FURTHER INFORMATION CONTACT: Deane Swickard, Folsom Field Office Manager, 63 Natoma Street, Folsom, California 95630, telephone (916) 985-4474.

SUPPLEMENTARY INFORMATION: A pilot study is needed to determine what level, if any, of commercial activity will

satisfy the public's needs and still be commensurate with maintaining resource values on this reach of river.

The study will begin in June of 2004, and could last up to three years. Upon completion of the study, the BLM, Folsom Field Office will prepare an environmental analysis to analyze the various alternatives.

The scoping paper that was developed by the BLM identified the critical issues and concerns, and provides the direction of the pilot study. A copy of this scoping paper may be obtained from the BLM, Folsom Field Office at the address listed above.

The following outfitter has been accepted by the BLM to conduct the pilot study: Current Adventures, P.O. Box 828, Lotus, CA 95651.

The BLM will issue a permit for this study.

The authority for this study can be found under section 303(a) of the Federal Land Policy and Management Act of 1976 (43 CFR 8372.0-3).

Dated: May 5, 2004.

Deane Swickard,

Folsom Field Office Manager.

INTERNATIONAL TRADE COMMISSION

[Inv. No. 337-TA-513]

Certain Electronic Devices, Including Power Adapters, Power Converters, External Batteries and Detachable Tips, Used To Power and/or Charge Mobile Electronic Products, and Components Thereof; Notice of Investigation

AGENCY: International Trade Commission.

ACTION: Institution of investigation pursuant to 19 U.S.C. 1337.

SUMMARY: Notice is hereby given that a complaint was filed with the U.S. International Trade Commission on May 7, 2004, under section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, on behalf of Mobility Electronics, Inc. Supplements to the Complaint were filed on May 12 and 13, 2004. The complaint, as supplemented, alleges violations of section 337 in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain electronic devices, including power adapters, power converters, external batteries and detachable tips, used to power and/or charge mobile electronic products, and components
