29 CFR Part 1926

[Docket No. S-030]

RIN 1218-AC01

Safety Standards for Cranes and Derricks

AGENCY: Occupational Safety and Health Administration (OSHA), U.S. Department of Labor.

ACTION: Notice of Negotiated Rulemaking Committee meeting.

SUMMARY: The Occupational Safety and Health Administration (OSHA) announces the July meeting of the Crane and Derrick Negotiated Rulemaking Advisory Committee (C-DAC). The Committee will review summary notes of the prior meeting and review draft regulatory text. The meeting will be open to the public.

DATES: The meeting will be on July 6, 7, 8, and 9, 2004. The meeting will begin at 1 p.m. on July 6th and 8:30 a.m. on July 7, 8, and 9. The meeting is expected to last three and a half days. Individuals with disabilities wishing to attend should contact Luz Dela Cruz by telephone at 202-693-2020 or by fax at 202-693-1689 to obtain appropriate accommodations no later than Friday, June 25, 2004.

ADDRESSES: The July meeting will be held at the U.S. Department of Labor, 200 Constitution Avenue, NW., Washington, DC 20210 and will be in conference room N-3437 A, B, C.

Written comments to the Committee may be submitted in any of three ways: by mail, by fax, or by email. Please include "Docket No. S-030" on all submissions.

By mail: submit three (3) copies to: OSHA Docket Office, Docket No. S-030, U.S. Department of Labor, 200 Constitution Avenue, NW., Room N-2625, Washington, DC 20210, telephone (202) 693-2350. Note that receipt of comments submitted by mail may be delayed by several weeks.

By fax: written comments that are 10 pages or fewer may be transmitted to the

OSHA Docket Office at fax number (202) 693-1648.

Electronically: comments may be submitted through OSHA's Webpage at <http://ecomments.osha.gov>. Please note that you may not attach materials such as studies or journal articles to your electronic comments. If you wish to include such materials, you must submit three copies to the OSHA Docket Office at the address listed above. When submitting such materials to the OSHA Docket Office, clearly identify your electronic comments by name, date, subject, and Docket Number, so that we can attach the materials to your electronic comments.

FOR FURTHER INFORMATION CONTACT:

Audrey Rollor, Office of Construction Standards and Guidance, Occupational Safety and Health Administration, U.S. Department of Labor, Room N-3468, 200 Constitution Avenue, NW., Washington, DC 20210; Telephone: (202) 693-2020.

SUPPLEMENTARY INFORMATION:

I. Background

On July 16, 2002, OSHA published a notice of intent to establish a negotiated rulemaking committee to improve crane and derrick safety in construction, requesting comments and nominations for membership (Volume 67 of the *Federal Register*, page 46612). In subsequent notices the Department of Labor announced the establishment of the Committee (Volume 68 of the *Federal Register*, page 35172, June 12, 2003), requested comments on a list of proposed members (68 FR 9036, February 27, 2003), published a final membership list (68 FR 39877, July 3, 2003), and announced the first meeting, (68 FR 39880, July 3, 2003), which was held July 30-August 1, 2003. The Agency published notices announcing the subsequent meetings.

II. Agenda

At the July meeting, the Committee will primarily review draft materials based on CDAC discussions at prior meetings. OSHA anticipates that CDAC will be reviewing draft regulatory text of items mentioned below on the "Anticipated Key Issues for Negotiation" list.

III. Anticipated Key Issues for Negotiation

OSHA anticipates that CDAC will continue discussing key issues from the following list in upcoming meetings:

1. Scope
2. General Requirements
3. Assembly/Disassembly
4. Operation—Procedures

5. Authority to Stop Operation
6. Signals
7. Requirements for equipment with a manufacturer-rated hoisting/lifting capacity 2,000 pounds or less
8. Operational Aids/Safety Devices
9. Inspections
10. Equipment Modifications
11. Personnel Training
12. Wire Rope
13. Operator Qualifications
14. Keeping Clear of the Load
15. Fall Protection (ladder access and catwalks, fall arrest)
16. Hoisting Personnel
17. Qualifications of Maintenance & Repair Workers
18. Machine Guarding
19. Responsibility for environmental considerations, site conditions, ground conditions
20. Work Area Control (access/egress)
21. Power line safety
22. Derricks
23. Verification criteria for structural adequacy of crane components and stability testing requirements
24. Floating Cranes & Cranes on Barges
25. Free Fall/Power Down
26. Multiple Crane Lifts
27. Tower Cranes
28. Operator Cab Criteria
29. Overhead & Gantry Cranes
30. Definitions

IV. Public Participation

All interested parties are invited to attend the July public meeting at the time and place indicated above. Seating will be available to the public on a first-come, first-served basis. Individuals with disabilities wishing to attend should contact Luz Dela Cruz by telephone at 202-693-2020 or by fax at 202-693-1689 to obtain appropriate accommodations no later than Friday, June 25, 2004. The meeting is expected to last three and a half days.

In addition, members of the general public may request an opportunity to make oral presentations to the Committee. The Facilitator has the authority to decide to what extent oral presentations by members of the public may be permitted at the meeting. Oral presentations will be limited to statements of fact and views, and shall not include any questioning of the committee members or other participants.

Minutes of the meetings and materials prepared for the Committee will be available for public inspection at the OSHA Docket Office, Room N-2625, 200 Constitution Ave., NW., Washington, DC 20210; Telephone (202) 693-2350. Minutes will also be available on the OSHA Docket webpage: <http://dockets.osha.gov/>.

The Facilitator, Susan Podziba, can be reached at Susan Podziba and Associates, 21 Orchard Road, Brookline, MA 02445; telephone (617) 738 5320, fax (617) 738-6911.

Signed at Washington, DC, this 14th day of June, 2004.

John L. Henshaw,

Assistant Secretary of Labor for Occupational Safety and Health.

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 117

[CGD01-04-030]

RIN 1625-AA09

Drawbridge Operation Regulations; Mystic River, MA

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard proposes to temporarily change the drawbridge operating regulations governing the operation of the S99 (Alford Street) Bridge, at mile 1.4, across the Mystic River, Massachusetts. Under this proposed rule the bridge may remain closed to vessel traffic from 7 a.m. on July 26, 2004 through 7 a.m. on July 30, 2004. Vessels that can pass under the draw without a bridge opening may do so at all times. This action is necessary in the interest of public safety to facilitate vehicular traffic during the Democratic National Convention.

DATES: Comments and related material must reach the Coast Guard on or before July 8, 2004.

ADDRESSES: You may mail comments and related material to Commander (obr), First Coast Guard District Bridge Branch, 408 Atlantic Avenue, Boston, Massachusetts, 02110, or deliver them to the same address between 7 a.m. and 3 p.m., Monday through Friday, except Federal holidays. The telephone number is (617) 223-8364. The First Coast Guard District, Bridge Branch, maintains the public docket for this rulemaking. Comments and material received from the public, as well as documents indicated in this preamble as being available in the docket, will become part of this docket and will be available for inspection or copying at the First Coast Guard District, Bridge Branch, 7 a.m. to 3 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: John McDonald, Project Officer, First Coast Guard District, (617) 223-8364.

SUPPLEMENTARY INFORMATION:

Request for Comments

We encourage you to participate in this rulemaking by submitting comments or related material. If you do so, please include your name and address, identify the docket number for this rulemaking (CGD01-04-030), indicate the specific section of this document to which each comment applies, and give the reason for each comment. Please submit all comments and related material in an unbound format, no larger than 8½ by 11 inches, suitable for copying. If you would like to know if they reached us, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period. We may change this proposed rule in view of them.

Public Meeting

We do not now plan to hold a public meeting. But you may submit a request for a meeting by writing to the First Coast Guard District, Bridge Branch, at the address under **ADDRESSES** explaining why one would be beneficial. If we determine that one would aid this rulemaking, we will hold one at a time and place announced by a later notice in the **Federal Register**.

Background

The S99 (Alford Street) Bridge, mile 1.4, across the Mystic River has a vertical clearance in the closed position of 7 feet at mean high water and 16 feet at mean low water. The existing drawbridge operation regulations are listed at 33 CFR § 117.609.

The bridge owner, the City of Boston, requested that the S99 (Alford Street) Bridge remain closed to vessel traffic during the Democratic National Convention (DNC) from 7 a.m. on July 26, 2004 through 7 a.m. on July 30, 2004. Vessels that can pass under the draw without a bridge opening may do so at all times.

During the DNC several primary vehicular traffic routes, including I-93 to Boston, and the North Station commuter rail station will be closed.

It is anticipated that much of the detoured vehicular traffic will be using Route 99 to drive into and through Boston during the week the DNC is underway. Rail commuters that normally transit to North Station will be bussed into Boston utilizing Route 99 as a detour route as a result of the North Station commuter rail station closure.

The bridge owner; therefore, has requested that the S99 (Alford Street) Bridge remain closed to facilitate the expected heavy vehicular traffic in the interest of public safety.

A shortened comment period of 20 days is necessary to allow this rule to become effective in time for the start of the DNC on July 26, 2004.

Discussion of Proposal

This proposed change would amend 33 CFR § 117.609 by suspending paragraph (a) and adding a new temporary paragraph (c) from July 26, 2004 through July 30, 2004.

Under this proposed rule the S99 (Alford Street) Bridge may remain closed to vessel traffic from 7 a.m. on July 26, 2004 through 7 a.m. on July 30, 2004.

This action is necessary to facilitate anticipated heavy vehicular traffic during the Democratic National Convention in the interest of public safety.

Regulatory Evaluation

This proposed rule is not a “significant regulatory action” under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. It is not “significant” under the regulatory policies and procedures of the Department of Homeland Security.

We expect the economic impact of this proposed rule to be so minimal that a full Regulatory Evaluation, under the regulatory policies and procedures of DHS, is unnecessary.

This conclusion is based on the fact that most vessel traffic on the Mystic River can pass under the bridge without a bridge opening at various stages of the tide.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601-612), we considered whether this proposed rule would have a significant economic impact on a substantial number of small entities. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under section 5 U.S.C. 605(b), that this proposed rule would not have a significant economic impact on a substantial number of small entities.
