

political entity. Therefore, the conclusion in the PF, that the GHP do not meet criterion 83.7(e), is affirmed.

Criterion 83.7(f) requires the petitioner demonstrate that the membership of the petitioning group is composed principally of persons who are not members of any acknowledged North American Indian tribe. The available evidence does not demonstrate that any members of the GHP are enrolled with any federally acknowledged North American Indian tribe. Neither the petitioner nor the interested parties provided further comments or evidence pertaining to this criterion. Therefore, the conclusion in the PF that the GHP meets criterion 83.7(f) is confirmed.

Criterion 83.7(g) requires the petitioner demonstrate that it is not the subject of congressional legislation expressly terminating or forbidding the Federal relationship. There has been no Federal termination legislation regarding the GHP. Neither the GHP nor the interested parties provided further comments or evidence pertaining to this criterion. Therefore, the conclusion in the PF that the GHP meets criterion 83.7(g) is affirmed.

Under Section 83.10(m), the PD AS-IA is required to decline to acknowledge that a petitioner is an Indian tribe if the petitioner fails to satisfy any one of the seven mandatory criteria for Federal acknowledgment. The GHP petitioner did not submit evidence sufficient to meet criteria 83.7(a), (b), (c), and (e), and, therefore, does not satisfy the requirements to be acknowledged as an Indian tribe in order to establish a government-to-government relationship with the United States.

This determination is final and will become effective 90 days from publication of this notice, unless a request for reconsideration is filed pursuant to section 83.11. The petitioner or any interested party may file a request for reconsideration of this determination with the Interior Board of Indian Appeals (section 83.11(a)(1)). These requests must be received no later than 90 days after publication of the PD AS-IA's determination in the **Federal Register** (section 83.11(a)(2)).

All nominations must be accompanied by letters of reference from represented interests, organizations, or elected officials supporting the nomination. Individuals nominating themselves must provide at least one letter of recommendation. Advisory Council members are appointed by the Secretary of the Interior, generally in late February or early March.
