Three applications are currently pending with the FTZ Board: to expand *Site 3* to include the Cleveland Business Park in Cleveland (Docket 54–2003); to expand the zone to include the Broad Oak Business Park (Proposed *Site 12*) in the Village of Oakwood (Docket 19–2004); and, to expand *Site 10* (Solon Business Park) and *Site 7B* (Progress Drive Business Park) and to reorganize the overall zone project (Docket 20–2004).

The applicant is now requesting authority to expand existing *Site 7* to include the Strongsville Commerce Center (proposed *Site 7C*, 212 acres) located in an area bounded by Drake Road to the north, Boston Road to the south, Marks Road to the west and Prospect Road to the east. All of the property is located entirely within the City of Strongsville. The site is owned by the City of Strongsville (182 acres) and Geis Development Corporation (30 acres). (A pending application to reorganize FTZ 40 (Docket 20–2004) proposes to consolidate and renumber the FTZ sites, and under this plan the proposed Strongsville Commerce Center site would become proposed *Site 6C*.) No specific manufacturing authority is being requested at this time. Such requests would be made to the Board on a case-by-case basis.

In accordance with the Board's regulations, a member of the FTZ Staff has been designated examiner to investigate the application and report to the Board.

Public comment on the application is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's

Bulk Aspirin From the People's Republic of China: Final Results of 2002/2003 Antidumping Duty Administrative Review and Final Determination To Revoke the Order In Part

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of final results of antidumping duty administrative review and revocation of the order in part.

SUMMARY: On April 8, 2004, the Department of Commerce published the preliminary results of the 2002/2003 administrative review of the antidumping duty order on bulk aspirin from the People's Republic of China with respect to Shandong Xinhua Pharmaceutical Co., Ltd. This review covers sales of bulk aspirin to the United States during the period July 1, 2002, through June 30, 2003. Based on our analysis of comments received, we conclude that the final results do not

differ from the preliminary results of review, in which we found that the respondent made sales in the United States at prices not below normal value. We also find that the antidumping duty order with respect to Shandong Xinhua Pharmaceutical Co., Ltd. should be revoked.

DATES: *Effective Date:* June 22, 2004.
