Three applications are currently pending with the FTZ Board: to expand *Site 3* to include the Cleveland Business Park in Cleveland (Docket 54–2003); to expand the zone to include the Broad Oak Business Park (Proposed *Site 12*) in the Village of Oakwood (Docket 19–2004); and, to expand *Site 10* (Solon Business Park) and *Site 7B* (Progress Drive Business Park) and to reorganize the overall zone project (Docket 20–2004).

(A pending application to reorganize FTZ 40 (Docket 20–2004) proposes to consolidate and renumber the FTZ sites, and under this plan the proposed Strongsville Commerce Center site would become proposed *Site 6C*.) No specific manufacturing authority is being requested at this time. Such requests would be made to the Board on a case-by-case basis.

In accordance with the Board's regulations, a member of the FTZ Staff has been designated examiner to investigate the application and report to the Board.

Public comment on the application is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's
