Federal Energy Regulatory Commission

[Docket No. CP04-355-000]

CenterPoint Energy Gas Transmission Company; Notice of Application

June 15, 2004.

Take notice that on June 7, 2004, CenterPoint Energy Gas Transmission Company (CEGT), 1111 Louisiana Street, Houston, Texas 77002-5231, filed in Docket No. CP04-355-000 an application pursuant to section 7(b) of the Natural Gas Act (NGA) for permission and approval to abandon, in place and by sale, certain facilities located in Caddo Parish, Louisiana. CEGT further requests a finding that the facilities to be sold to Moransco Energy Corporation (Moransco), the purchasing party, would be exempt from the Commission's jurisdiction when operated as part of Moransco's gathering system, all as more fully set forth in the application. This filing is available for review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the "e-Library" link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, please contact FERC Online at FERCOnlineSupport@ferc.gov or toll free, (866) 208-3676, or TTY, contact (202) 502-8659.

Any questions concerning this request may be directed to Lawrence O. Thomas, Director-Rates & Regulatory, CenterPoint Energy Gas Transmission Company, P.O. Box 21734, Shreveport, Louisiana 71151, or call (318) 429-2804.

Specifically, CEGT proposes to abandon its Line RM-1 and appurtenant facilities, and in conjunction with the proposed abandonment, sell an approximately 2-mile segment of Line RM-1 to Moransco, a local natural gas producer.

CEGT states that it is uneconomical for CEGT to continue to operate this segment of the Line RM-1. CEGT states further that the abandonment would have no material impact on CEGT's cost of service nor would it result in or cause any interruption, disruption, or termination of the transportation service presently rendered by CEGT.

There are two ways to become involved in the Commission's review of this project. First, any person wishing to obtain legal status by becoming a party to the proceedings for this project should file on or before the date listed below with the Federal Energy Regulatory Commission, 888 First
