Office of Surface Mining Reclamation and Enforcement

Notice of Proposed Information Collection for 1029-0114

AGENCY: Office of Surface Mining Reclamation and Enforcement.

ACTION: Notice and request for comments.

SUMMARY: In compliance with the Paperwork Reduction Act of 1995, the Office of Surface Mining Reclamation and Enforcement (OSM) is announcing its intention to renew authority to collect information for a series of customer surveys to evaluate OSM's performance in meeting the performance goals outlined in its annual plans developed pursuant to the Government Performance and Results Act (GPRA). The Office of Management and Budget (OMB) previously approved the collection and assigned it clearance number 1029-0114.

DATES: Comments on the proposed information collection must be received by August 23, 2004, to be assured of consideration.

ADDRESSES: Comments may be mailed to John A. Trelease, Office of Surface Mining Reclamation and Enforcement, 1951 Constitution Ave, NW., Room 210-SIB, Washington, DC 20240. Comments may also be submitted electronically to jtreleas@osmre.gov.

FOR FURTHER INFORMATION CONTACT: To request a copy of the information collection request, explanatory information and related form, contact John A. Trelease, at (202) 208-2783 or electronically at jtreleas@osmre.gov.

SUPPLEMENTARY INFORMATION: OMB regulations at 5 CFR 1320, which implementing provisions of the Paperwork Reduction Act of 1995 (Pub. L. 104-13), require that interested members of the public and affected agencies have an opportunity to comment on information collection and recordkeeping activities (see 5 CFR 1320.8(d)). This notice identifies information collections that OSM will be submitting to OMB for approval. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control

number. The OMB control number for this collection of information is 1029-0114 and is on the forms along with the expiration date. OSM will request a 3-year term of approval for this information collection activity.

Comments are invited on: (1) The need for the collection of information for the performance of the functions of the agency; (2) the accuracy of the agency's burden estimates; (3) ways to enhance the quality, utility and clarity of the information collection; and (4) ways to minimize the information collection burden on respondents, such as use of automated means of collection of the information. A summary of the public comments will accompany OSM's submission of the information collection request to OMB.

This notice provides the public with 60 days in which to comment on the following information collection activity:

Title: Technical Evaluations Series.

OMB Control Number: 1029-0114.

Summary: The series of surveys are needed to ensure that technical assistance activities, technology transfer activities and technical forums are useful for those who participate or receive the assistance. Specifically, representatives from State and Tribal regulatory and reclamation authorities, representatives of industry, environmental or citizen groups, or the public, are the recipients of the assistance or participants in these forums. These surveys will be the primary means through which OSM evaluates its performance in meeting the performance goals outlined in its annual plans developed pursuant to the Government Performance and Results Act.

Bureau Form Number: None.

Frequency of Collection: Once.

Description of Respondents: 26 State and tribal governments, industry organizations and individuals who request information or assistance.

Total Annual Responses: 300.

Total Annual Burden Hours: 25.

Dated: June 18, 2004.

Sarah E. Donnelly,

Acting Chief, Division of Regulatory Support.
