#### FOR FURTHER INFORMATION CONTACT:

Mary Messer (202-205-3193), Office of Investigations, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202-205-1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202-205-2000. General information concerning the Commission may also be obtained by accessing its Internet server (<http://www.usitc.gov>). The public record may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>.

**SUPPLEMENTARY INFORMATION:** On June 1, 2004, the Commission published notice that it had instituted reviews pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. 1675(c)) (the Act) to determine whether revocation of the countervailing duty and antidumping duty orders on stainless steel sheet and strip from France, Germany, Italy, Japan, Korea, Mexico, Taiwan, and the United Kingdom would be likely to lead to continuation or recurrence of material injury.<sup>1</sup> The countervailing duty order on stainless steel sheet and strip from France, however, was revoked by the Department of Commerce, effective November 7, 2003, in its notice of implementation under Section 129 of the Uruguay Round Agreements Act.<sup>2</sup> Although the Department of Commerce had also initiated a five-year review of this order on June 1, 2004, we have been notified that the Department of Commerce is publishing concurrently with this notice the rescission of its five-year review on the countervailing duty order on stainless steel sheet and strip in coils from France. Therefore, we are rescinding the five-year review of the countervailing duty order on stainless

steel sheet and strip from France. The five-year review of the antidumping duty order on stainless steel sheet and strip from France will continue.

**Authority:** This notice is published pursuant to section 207.61 of the Commission's rules.

By order of the Commission.  
Issued: June 21, 2004.

#### Notice Pursuant to the National Cooperative Research and Production Act of 1993—Collaboration Agreement for High Performance Buildings

Notice is hereby given that, on May 25, 2004, pursuant to section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* ("the Act"), United Technologies Corporation, on behalf of the Collaboration Agreement for High Performance Buildings, has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing (1) the identities of the parties and (2) the nature and objectives of the venture. The notifications were filed for the purpose of invoking the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Pursuant to section 6(b) of the Act, the identities of the parties are United Technologies Corporation, acting through United Technologies Research Center, East Hartford, CT; and Oculus Technologies Corporation, Boston, MA. The nature and objectives of the venture are to engage in cooperative research and development in the area of integrated design methods and tools for high performance, safe buildings. The aforementioned parties will not individually engage in production of the resulting product under this joint research and development venture.

Membership in the program remains open, and the Collaboration Agreement for High Performance Buildings intends to file additional notifications disclosing
