Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The purpose of the Technology and Media Services for Individuals With Disabilities—Cultural Experiences for Deaf or Hard of Hearing Individuals competition is to: (1) Improve results for children with disabilities by promoting the development, demonstration, and use of technology; (2) support educational media activities designed to be of educational value to children with disabilities; (3) provide support for some captioning and video description; and (4) provide cultural experiences through appropriate nonprofit organizations.

Priority: In accordance with 34 CFR 75.105(b)(2)(iv), this priority is from allowable activities specified in the statute (see sections 661(e)(2) and 687 of the Individuals with Disabilities Education Act, as amended (IDEA)).

Absolute Priority: For FY 2004 this priority is an absolute priority. Under 34 CFR 75.105(c)(3), we consider only applications that meet this priority.

This priority is:

Technology and Media Services for Individuals with Disabilities—Cultural Experiences for Deaf or Hard of Hearing Individuals.

Background: Past projects funded under this program supported a variety of activities, including: theatrical experiences in which cast members included deaf, hard-of-hearing, and hearing performers; theater and set design, directing, dance, and storytelling for deaf, hard-of-hearing, and hearing individuals; cultural experiences focusing on Native American art and culture; hands-on theater experience involving persons from minority groups; a touring “instant theater;” producing videos of performances and documentaries of performances; and drama workshops.

Priority: This priority supports a variety of cultural activities designed to enrich the lives of deaf or hard-of-hearing individuals, including children or adults. These activities must use an approach that integrates deaf or hard-of-hearing individuals with those who can hear, while providing cultural experiences that will increase public awareness and understanding of deafness, deaf culture, and of the artistic and intellectual achievements of deaf and hard-of-hearing individuals.

A grantee may not use funds under this priority for passive activities, such as viewing a play or video, or passively watching a storyteller or artist at work.

To be considered for funding under this priority, a project must—

(a) Use an integrated approach that mixes children or adults who are deaf or hard-of-hearing with those who can hear in carrying out project activities;

(b) Develop and implement strategies that will increase public awareness and understanding of deafness and deaf culture, and of the artistic and intellectual achievements of deaf and hard-of-hearing individuals;

(c) Budget for a two-day Project Directors’ meeting in Washington, DC during each year of the project; and

(d) If the project has a Web site, include relevant information and documents in an accessible form for individuals with disabilities.

Note: Outreach activities such as promoting the project to schools, community

organizations, news media, and relevant national organizations are encouraged.

Waiver of Proposed Rulemaking: It is generally our practice to offer interested parties the opportunity to comment on proposed priorities. However, section 661(e)(2) of the IDEA makes the public comment requirements in the Administrative Procedure Act (5 U.S.C. 553) inapplicable to the priority in this notice.

Program Authority: 20 U.S.C. 1487.

Applicable Regulations: The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 80, 81, 82, 84, 85, 86, 97, 98, and 99.

Note: The regulations in 34 CFR part 79 apply to all applicants except federally recognized Indian tribes.

Note: The regulations in 34 CFR part 86 apply to IHEs only.

However, these amendments make procedural changes only and do not establish new substantive policy. Therefore, under 5 U.S.C. 553(b)(A), the Secretary has determined that proposed rulemaking is not required.

Pilot Project for Electronic Submission of Applications: We are continuing to expand our pilot project for electronic submission of applications to include additional formula grant programs and additional discretionary grant competitions. The Special Education—Technology and Media Services for Individuals with Disabilities—Cultural Experiences for Deaf or Hard of Hearing Individuals competition—CFDA Number 84.327T is one of the competitions included in the pilot project. We request your participation in e-Application. We shall continue to evaluate its success and solicit suggestions for its improvement.

If you participate in e-Application, please note the following:

- Your participation is voluntary.
- When you enter the e-Application system, you will find information about its hours of operation. We strongly recommend that you do not wait until the application deadline date to initiate an e-Application package.

- You will not receive additional point value because you submit a grant application in electronic format, nor will we penalize you if you submit an application in paper format.

- You may submit all documents electronically, including the Application for Federal Education Assistance (ED 424), Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications.

1. Print ED 424 from e-Application.

2. The institution's Authorizing Representative must sign this form.

3. Place the PR/Award number in the upper right hand corner of the hard copy signature page of the ED 424.

4. Fax the signed ED 424 to the Application Control Center at (202) 245-6272.

Application Deadline Date Extension in Case of System Unavailability: If you elect to participate in the e-Application pilot for the Special Education—

Technology and Media Services for Individuals with Disabilities—Cultural Experiences for Deaf or Hard of Hearing Individuals competition and you are prevented from submitting your application on the application deadline date because the e-Application system is unavailable, we will grant you an extension of one business day in order to transmit your application electronically, by mail, or by hand delivery. We will grant this extension if—

1. You are a registered user of e-Application, and you have initiated an e-Application for this competition; and

2. (a) The e-Application system is unavailable for 60 minutes or more between the hours of 8:30 a.m. and 3:30 p.m., Washington, DC time, on the application deadline date; or

- (b) The e-Application system is unavailable for any period of time during the last hour of operation (that is, for any period of time between 3:30 p.m. and 4:30 p.m., Washington, DC time) on the application deadline date.

We must acknowledge and confirm these periods of unavailability before granting you an extension. To request this extension or to confirm our acknowledgement of any system unavailability, you may contact either (1) the person listed elsewhere in this notice under **FOR FURTHER INFORMATION CONTACT** (see VII. Agency Contact) or (2) the e-GRANTS help desk at 1-888-336-8930.
