

in recent years mixed schools of giant and large medium bluefin tuna have been prevalent, particularly early in the season, which is the time period proposed for the experiment. In the event that such conditions persist in 2004, the applicants believe that the experiment could potentially result in greater mortality to smaller fish necessitating relief from the tolerance level for the remainder of the season.

The regulations that would prohibit the proposed activities include requirements to use authorized gear (50 CFR 635.21); prohibition of BFT transfer at sea (50 CFR 635.29); vessel fishing permits (50 CFR 635.4); and prohibition of approaching within 100 feet of a purse seine vessel while gear is deployed (50 CFR 635.71). In addition, certain reporting requirements may be adjusted to allow for the delayed landing of purse seine harvested fish.

NMFS invites comments from interested parties on potential concerns should these EFPs be issued.

#### SUPPLEMENTARY INFORMATION:

**Authority:** Section 204 of the Agricultural Act of 1956, as amended (7 U.S.C. 1854); Executive Order 11651 of March 3, 1972, as amended.

On January 10, 2003, the Governments of the United States and Belarus entered into a Memorandum of Understanding, which called for a sublimit on Category 622-N. As the United States and Belarus were not able to reach agreement on the terms of this sublimit, on March 5, 2004 the Chairman of CITA directed Customs and Border Protection to impose a sublimit on Category 622-N pending agreement with the Government of Belarus on its terms, noting that this sublimit might be revised if the Governments of the United States and Belarus reached agreement on the terms of the sublimit.

In a Memorandum of Understanding dated May 13, 2004, the Governments of the United States and Belarus agreed to the terms of the sublimit for Category 622-N. Effective on July 1, 2004, the interagency Committee for the Statistical Annotation of the Tariff Schedule amended the Harmonized Tariff Schedule of the United States (HTSUS) with respect to the statistical subheadings covered by Category 622-N.

In the letter published below, the Chairman of CITA directs the Commissioner of Customs and Border Protection to amend the HTSUS subheadings covered by Category 622-N to implement the May 13, 2004 Memorandum of Understanding.

A description of the textile and apparel categories in terms of HTS numbers is available in the **CORRELATION: Textile and Apparel Categories with the Harmonized Tariff Schedule of the United States** (see Federal Register notice 69 FR 4926, published on February 2, 2004). See also 69 FR 10429, published on March 5, 2004.
