

accountability, and objectivity in the oversight by, and decision-making processes of, the boards and key committees of CHX listed issuers. The proposal, as amended, also will promote compliance with high standards of conduct by the issuers' directors and management. The Commission notes that the CHX has amended its proposal to significantly harmonize it with rule changes recently approved by the Commission for the NYSE, NASD, and the Amex.⁶⁹ The Commission also believes that the proposed rule change, as amended, is consistent with Rule 10A-3 under the Act.⁷⁰

The CHX has requested that the Commission grant accelerated approval to the changes in Amendment Nos. 2 and 3. The Commission believes that the revisions proposed in Amendment Nos. 2 and 3 significantly align the corporate governance standards proposed for companies listed on the CHX with the standards approved by the Commission for companies listed on other SROs.⁷¹ The Commission believes it is appropriate to accelerate approval of these amendments so that the comprehensive set of strengthened corporate governance standards for companies listed on the CHX may be implemented on generally the same timetable (with some modification of certain deadlines) as that for similar standards adopted for issuers listed on other SROs. The Commission therefore finds good cause, consistent with Section 19(b)(2) of the Act,⁷² to approve Amendment Nos. 2 and 3 to the proposed rule change prior to the thirtieth day after the date of publication of notice of filing thereof in the **Federal Register**.

IV. Solicitation of Comments

V. Conclusion

For the foregoing reasons, the Commission finds that the proposed rule change, as amended, is consistent with the Act and the rules and regulations thereunder applicable to a national securities exchange.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁷³ that the proposed rule change (SR-CHX-2003-19), as amended, be, and hereby is, approved, and that Amendment Nos. 2 and 3 to the proposed rule change be, and hereby are, approved on an accelerated basis.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-49915; File No. SR-NYSE-2004-28]

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by the New York Stock Exchange, Inc. To Extend a Pilot Relating to Voluntary Supplemental Procedures for Selecting Arbitrators

June 25, 2004.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on June 14, 2004, the New York Stock Exchange, Inc. ("NYSE" or "the Exchange") filed with the Securities and Exchange Commission the proposed rule change as described in Items I and II below, which items have been prepared by the Exchange. The Exchange filed the proposed rule change pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(6) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The proposed rule change consists of an extension until January 31, 2005, of a pilot regarding Voluntary Supplemental Procedures for Selecting Arbitrators ("Supplemental Procedures" or "pilot program").

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change. The text of these statements may be examined at the places specified in Item IV below.

The Exchange has prepared summaries, set forth in Sections A, B and C below.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The proposed rule change is intended to extend until January 31, 2005, the pilot period of the Supplemental Procedures, which were approved by the Commission most recently for a two-year period ending July 31, 2004.⁵

The Exchange currently offers four alternative methods by which arbitrators are assigned to cases. The first is the traditional method pursuant to NYSE Rule 607, in which the staff of the Exchange appoints arbitrators to cases. Three additional methods were introduced in 2000 under the Supplemental Procedures to allow parties to select arbitrators: Random List Selection, Enhanced List Selection and any reasonable alternative method of the parties' own design and agreement.⁶

Under Random List Selection, the parties are provided randomly generated lists of public and securities classified arbitrators. The parties have ten days to strike and rank the names on the lists. Based on mutual ranking of the lists, the highest-ranking arbitrators are invited to serve on the case. If a panel cannot be generated from the first list, a second list is generated, with three potential arbitrators for each vacancy, and one peremptory challenge available to each party for each vacancy. If vacancies remain after the second list has been processed, arbitrators are then randomly assigned to serve, subject only to challenges for cause.

Under Enhanced List Selection, six public and three securities classified arbitrators are selected by Exchange staff, based on their qualifications and expertise. The lists are then sent to the parties. The parties have a limited number of strikes to use and are required to rank the arbitrators not stricken. Based on the mutual ranking of

⁶ The pilot program was implemented originally for a two-year period. Exchange Act Release No. 43214 (August 28, 2000), 65 FR 53247 (September 1, 2000) (SR-NYSE-00-34). Upon expiration of the first two-year period, the Exchange renewed the pilot program for two additional years, ending on July 31, 2004. Exchange Act Release No. 46372. See also Exchange Act Release No. 47929 (May 27, 2003), 68 FR 32791 (June 2, 2003) (SR-NYSE-2003-15) (amending the Supplemental Procedures to conform with NYSE Rule 601, which provides that a claim with an amount in dispute of \$25,000 or less will be decided by a single arbitrator, instead of a panel of three).

the lists, the highest-ranking arbitrators are invited to serve on the case.

Finally, the Supplemental Procedures provide that the Exchange will accommodate the use of any reasonable alternative method of selecting arbitrators that the parties decide upon, provided that the parties agree. Absent agreement to the use of Random List Selection, Enhanced List Selection, or any other reasonable alternative method, the traditional method is used.

The Exchange, pursuant to a separate filing (SR-NYSE-2004-29)⁷, is proposing amendments to Rule 607 which would, in effect, make permanent a variation of the pilot program described herein. Pending approval of those amendments, the Exchange proposes to extend the pilot period for the Supplemental Procedures for an additional six months.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b)(5) of the Act⁸ in that it promotes just and equitable principles of trade by ensuring that members and member organizations and the public have a fair and impartial forum for the resolution of their disputes.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has designated the proposed rule change as one that: (i) Does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) does not become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate. Therefore, the foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6) thereunder. At any time within 60 days

of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the Act.

Pursuant to Rule 19b-4(f)(6)(iii) under the Act⁹, the proposal may not become operative for 30 days after the date of its filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, and the Exchange must file notice of its intent to file the proposed rule change at least five business days beforehand. The Exchange has requested that the Commission waive the five-day pre-filing requirement and the 30-day operative delay so that the proposed rule change will become immediately effective upon filing.

The Commission is exercising its authority to waive the five-day pre-filing requirement and believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest.¹⁰ In this regard, the Commission notes that the proposal is the extension of a pilot program that has been in effect at the Exchange since August 2000. Nothing in the current notice should be interpreted as suggesting the Commission is predisposed to approving the pilot program on a permanent basis.

Self-Regulatory Organizations; Notice of Filing of Proposed Rule Change and Amendment No. 1 Thereto by the Pacific Exchange, Inc. to Eliminate the Ability to Manually Trade With Orders and Quotes With Size in the Consolidated Book

June 24, 2004.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on June 10, 2004, the Pacific Exchange, Inc. ("PCX"

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. PCX has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

³ See letter from Steven B. Matlin, Senior Attorney, PCX, to Nancy J. Sanow, Assistant Director, Division of Market Regulation, Commission, dated June 21, 2004 ("Amendment No. 1"). In Amendment No. 1, the Exchange clarified the language describing the PCX Plus platform in the Purpose section.

⁴ See PCX Rule 6.1(b)(33).

⁵ See PCX Rule 6.1(b)(37).

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Currently, PCX Rule 6.76(d)(2) permits Market Makers and Floor Brokers to manually trade with orders and Quotes with Size in the Consolidated Book by vocalizing a bid or offer in a particular series and effecting a trade with the Order Book Official. The PCX represents that the PCX Plus platform does not support the functionality required by PCX Rule 6.76(d)(2) and that the PCX does not intend to develop such functionality. As such, the PCX believes that it is necessary to remove this provision from the Exchange's rules to conform the PCX rules to currently available and contemplated future trading procedures. The Exchange is not proposing to eliminate a Member's ability to trade with orders and Quotes with Size in the Consolidated Book. Rather, the Exchange chooses to have this type of trading available only on its electronic platform, PCX Plus. Therefore, Market Makers and Floor Brokers who wish to trade with orders and Quotes with Size in the Consolidated Book may do so by obtaining and using the PCX Plus platform.

In addition to the reason set forth above, the Exchange represents that requiring Market Makers and Floor Brokers to manually interact with an Order Book Official to execute a trade is not as efficient as executing the trade electronically via PCX Plus. The Exchange also represents that, because of the inefficiencies that exist with manual interaction, no Exchange Members have requested this functionality. Therefore, the Exchange believes that removing the rule permitting this manual interaction will have no impact on the Exchange Members.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act⁶ in general and furthers the objectives of 6(b)(5) of the Act⁷ in particular, because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanism of a free and
