

the handling of Satisfaction Orders in an efficient and fair manner.

The Commission finds good cause for approving the proposed rule change prior to the thirtieth day after the date of publication of the notice thereof in the **Federal Register**. As noted above, the proposed rule change incorporates changes into the BSE Rules that correspond to changes made to the Linkage Plan through Joint Amendment No. 11, which was published for public comment in the **Federal Register** on May 19, 2004.<sup>12</sup> The Commission received no comments in response to publication of Joint Amendment No. 11. The Commission believes that no new issues of regulatory concern are being raised by BSE's proposed rule change. The Commission believes, therefore, that granting accelerated approval of the proposed rule change, as amended, is appropriate and consistent with sections 6 and 19(b) of the Act.<sup>13</sup>

## V. Conclusion

*It is therefore ordered*, pursuant to section 19(b)(2) of the Act,<sup>14</sup> that the proposed rule change, as amended, (SR-BSE-2004-17) is approved on an accelerated basis.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.<sup>15</sup>
