Submission for OMB Review; Comment Request

The Department of Commerce (DOC) has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: Bureau of Industry and Security (BIS).

Title: Foreign Availability Procedures and Criteria.

Agency Form Number: None.

OMB Approval Number: 0694-0004.

Type of Request: Extension of a currently approved collection of information.

Burden: 510 hours.

Average Time Per Response: 105 to 120 hours per response.

Number of Respondents: 2 respondents.

Needs and Uses: The office identifies foreign goods and technology analogous to American equipment subject to export controls. The foreign equipment must be available in sufficient quantities to controlled destinations. Continued restrictions on exports when comparable items are available from uncontrollable sources decreases U.S. competitiveness in high-technology industries and undermines U.S. national security interests. Without this information from the exporting community, the U.S. could easily lose its competitiveness in foreign markets.

Affected Public: Businesses or other for-profit institutions.

Respondent's Obligation: Voluntary.

OMB Desk Officer: David Rostker.
Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, DOC Paperwork Clearance Officer, (202) 482-3129, Department of Commerce, Room 6625, 14th and Constitution Avenue, NW., Washington, DC 20230.

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to David Rostker, OMB Desk Officer, Room 10202, New Executive Office Building, Washington, DC 20230.

Dated: July 7, 2004.

Management Analyst, Office of the Chief Information Officer.
