

Based upon a review of the Administrative Record assembled in this matter, and in consultation with the Attorney General and the Secretary of the Treasury, the Secretary of State has concluded that there is a sufficient factual basis to find that the relevant circumstances described in section 219 of the Immigration and Nationality Act, as amended (8 U.S.C. 1189, hereinafter "INA"), exist with respect to Continuity Irish Republican Army.

Therefore, effective July 13, 2004, the Secretary of State hereby designates that organization as a foreign terrorist organization pursuant to section 219(a) of the INA.

BILLING CODE 4710-10-P

OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

Identification of Countries Under Section 182 of the Trade Act of 1974: Request for Public Comment

AGENCY: Office of the United States Trade Representative.

ACTION: Request for written submissions from the public.

SUMMARY: Section 182 of the Trade Act of 1974 (Trade Act) (19 U.S.C. 2242), requires the United States Trade Representative (USTR) to identify countries that deny adequate and effective protection of intellectual property rights or deny fair and equitable market access to U.S. persons who rely on intellectual property protection. Section 182 is commonly referred to as the "Special 301" provision in the Trade Act. In addition, USTR is required to determine which of those countries should be identified as Priority Foreign Countries. On May 3, 2004, USTR announced the results of the 2004 Special 301 review and stated that an Out-of-Cycle Review (OCR) would be conducted in the summer for Israel. USTR requests written comments from the public concerning the acts, policies, and practices relevant for this review under section 182 of the Trade Act.

DATES: Submissions must be received on or before 12 noon on Friday, August 6, 2004.

ADDRESSES: All comments should be sent to Sybia Harrison, Special Assistant to the Section 301 Committee, at the following e-mail address:

FR0436@ustr.gov, with "Special 301 Out-of-Cycle Review" in the subject line. Please note, only electronic submissions will be accepted.

FOR FURTHER INFORMATION CONTACT:

Brian Peck, Senior Director for Intellectual Property, (202) 395-6864; or Stanford McCoy, Assistant General Counsel, (202) 395-3581, Office of the United States Trade Representative.

SUPPLEMENTARY INFORMATION: Pursuant to section 182 of the Trade Act, USTR must identify those countries that deny adequate and effective protection for intellectual property rights or deny fair and equitable market access to U.S. persons who rely on intellectual property protection. Those countries that have the most onerous or egregious acts, policies, or practices and whose acts, policies, or practices have the greatest adverse impact (actual or potential) on relevant U.S. products may be identified as Priority Foreign Countries. Acts, policies, or practices

that are the basis of a country's designation as a Priority Foreign Country are normally the subject of an investigation under the section 301 provisions of the Trade Act.

On May 3, 2004, USTR announced the results of the 2004 Special 301 review, including an announcement that an Out-of-Cycle Review (OCR) would be conducted in the summer for Israel. Additional countries may also be reviewed as warranted by events.

Requirements for Comments:

Comments should include a description of the problems experienced and the effect of the acts, policies, and practices on U.S. industry. Comments should be as detailed as possible and should provide all necessary information for assessing the effect of the acts, policies, and practices. Any comments that include quantitative loss claims should be accompanied by the methodology used in calculating such estimated losses.

Comments must be in English and sent electronically. No submissions will be accepted via postal service mail. Documents should be submitted as either WordPerfect, MS Word, or text (.TXT) files. Supporting documentation submitted as spreadsheets are acceptable as Quattro Pro or Excel files. A submitter requesting that information contained in a comment be treated as confidential business information must certify that such information is business confidential and would not customarily be released to the public by the submitter. A non-confidential version of the comment must also be provided. For any document containing business confidential information, the file name of the business confidential version should begin with the characters "BC-", and the file name of the public version should begin with the character "P-". The "P" or "BC" should be followed by the name of the submitter. Submissions should not include separate cover letters; information that might appear in a cover letter should be included in the submission itself. To the extent possible, any attachments to the submission should be included in the same file as the submission itself, and not as separate files.

All comments should be sent to Sybia Harrison, Special Assistant to the Section 301 Committee, at the following e-mail address: *FR0436@ustr.gov*, with "Special 301 Out-of-Cycle Review" in the subject line. Please note, only electronic submissions will be accepted.

Public Inspection of Submissions:

Within one business day of receipt, non-confidential submissions will be placed in a public file, open for inspection at the USTR reading room, Office of the

United States Trade Representative, Annex Building, 1724 F Street, NW., Room 1, Washington, DC. An appointment to review the file must be scheduled at least 48 hours in advance and may be made by calling Jacqueline Caldwell at (202) 395-6186. The USTR reading room is open to the public from 10 a.m. to 12 noon and from 1 p.m. to 4 p.m., Monday through Friday.

SUPPLEMENTARY INFORMATION: In accordance with the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Therefore, the FAA solicits comments on the following current collections of information. Comments should evaluate the necessity of the collection, the accuracy of the agency's estimate of the burden, the quality, utility, and clarity of the information to be collected, and possible ways to minimize the burden of the collection.

1. 2120-0034, Medical Standards and Certification. The Secretary of Transportation collects model certification information under the

authority of 49 U.S.C. 40113, 44510, 44701, 44702, 44703, 44709, 45303, and 80111. The certification program is implemented by Title 14 CFR parts 61 and 67. Part 67 prescribes minimum airman medical standards, and § 61.23 prescribes standards for the duration of a medical certificate. Information collected substantiates the applicant's eligibility. The current estimated annual reporting burden is 707,253 hours.

2. 2120-0040, Aviation Maintenance Technical Schools. Section 44707 (49 U.S.C.) authorizes certification of civil aviation mechanic schools; 14 CFR 147 prescribes requirements for certification and operation of aviation mechanic schools. The information collected is needed to determine applicant eligibility and compliance. The current estimated annual reporting burden is 66,134 hours.

3. 2120-0593, Commuter Operations and General Certification and Operations Requirements. The respondents to this information collection are FAR Part 135 and 121 operators. The FAA will use the information collected to ensure compliance and adherence to regulations. The respondents are aircraft owners and operators. The current estimated annual reporting burden is 8,855 hours.

4. 2120-0672, Criteria for Internet Communications of Aviation Weather, Notam, and Aeronautical Data. An Advisory Circular (AC) establishes criteria for Qualified Internet Communications Providers (QICP), who provide access to aviation weather, Notice to Airmen (NOTAM), and aeronautical data via the Public Internet. The AC describes procedures for a provider to become and remain an FAA approved QICP, and the information collected is used to determine the provider's eligibility. The current estimated annual reporting burden is 5,680 hours.

Issued in Washington, DC, on July 7, 2004.

FAA Information Collection Clearance Officer, APF-100.
