NATIONAL AERONAUTICS AND SPACE ADMINISTRATION

[Notice 04-090]

National Environmental Policy Act and Executive Order 11990, Protection of Wetlands; International Space Research Park at the John F. Kennedy Space Center, Florida

AGENCY: National Aeronautics and Space Administration.

ACTION: Notice of availability of the Final Environmental Impact Statement (FEIS) for the International Space Research Park (ISRP) at the John F. Kennedy Space Center (KSC).

SUMMARY: Pursuant to the National Environmental Policy Act of 1969 (NEPA), as amended (42 U.S.C. 4321 *et seq.*), the Council on Environmental Quality Regulations for Implementing the Procedural Provisions of NEPA (40 CFR Parts 1500-1508), and the National Aeronautics and Space Administration (NASA) policy and procedures (14 CFR Part 1216), NASA has prepared a FEIS for the proposed ISRP at KSC, located in Florida. KSC is a major Center within NASA for activities associated with the Space Shuttle and International Space Station and is adjacent to Cape Canaveral Air Force Station from which many NASA missions are launched. The purpose of the ISRP is to facilitate world-class research and development (R&D) in areas critical to the long-term success of KSC, its users, and operators. NASA has entered into an agreement with the State of Florida, through the Florida Space Authority (FSA), to jointly study the development of up to 160 ha (400 ac) of land on KSC as a research park. NASA is proposing to lease approximately 142 ha (360 ac) in phases to the State of Florida (through the FSA), which would create an ISRP Authority (ISRPCA) to develop and manage the site for the ISRP. The FEIS describes the potential environmental impacts and proposed mitigation associated with development alternatives under the proposed concept as well as the no-action alternative.

DATES: NASA will take no final action on the ISRP before 30 days from the date of publication in the **Federal Register** of the U.S. Environmental Protection Agency’s notice of availability of the ISRP FEIS.

ADDRESSES: The FEIS may be reviewed at the following locations of the Brevard County Library:
