

members would not have to expend valuable resources to establish procedures that comply with the OTS rules for mandatory electronic capture of order information in listed bonds. As discussed above, the Exchange asserts that instituting OTS rules for listed bonds would not provide a significant improvement in regulatory capability, would be largely duplicative, and would be costly to Exchange members. Accordingly, the Commission finds good cause for approving the proposed rule change, as amended, on an accelerated basis prior to the thirtieth day after publication of notice in the **Federal Register**.

V. Conclusion

It is therefore ordered, pursuant to section 19(b)(2) of the Act,¹⁶ that the proposed rule change, as amended (SR-NYSE-2004-38), is hereby approved on an accelerated basis.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹⁷

Deputy Secretary.
