The OMB is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

BLS-3023-NVM	35,951	0.25	8,988
BLS-3023-NCA	165,397	0.167	27,621
FY 2005 Total	2,488,105	226,409

Total Annualized capital/startup costs: \$0.

Total Annual Costs (operating/maintaining systems or purchasing services): \$0.

Description: The Annual Refiling Survey forms are used to verify and update existing 2002 North American Industry Classification System codes. They also are used to update employers' business names and addresses and other

geographical information. In addition, the forms provide a source of multiple worksite information, which is critical to the development of the BLS Business Establishment List (BEL). The BEL

serves as a sampling frame and a benchmark for many BLS surveys.
