Title: Schedule UDC: Itemized Undistributed Collections.
OMB No.: New Collection.
Description: Although State child support enforcement agencies successfully collect and distribute billions of dollars every fiscal year, a certain portion of the collections remain undistributed. In some instances collections remain undistributed relatively briefly, pending the resolution of an assortment of administrative or legal processes; in other instances collections remain undistributed indefinitely as a result of circumstances beyond the State's control. State agencies have requested the ability to differentiate and report to the

Office of Child Support Enforcement (OCSE) the nature of those collections. In addition, in its recent report, the Government Accounting Office recommended that OCSE conduct periodic reviews of undistributed collection data to " * * * help improve the accuracy of the data." (Report GAO-04-377, March 19, 2004, "Child Support Enforcement: Better Data and More Information on Undistributed Collections Are Needed"). This supporting schedule, which will be submitted quarterly as an attachment to Form OCSE-34A, the "Quarterly Report of Collections," is being implemented to meet those requirements and will enable each state to differentiate and itemize its undistributed collections by category and age and will enable OCSE to review and analyze this information and to recommend management methodologies to reduce the undistributed collection balance.

Comments sent to the Office of Child Support Enforcement, both directly and in response to the **Federal Register** notice published October 8, 2003 (68 FR 58110, *et seq.*), provided many useful recommendations and suggestions to improve and clarify the wording of the instructions that accompany this form.

Respondents: State IV-D agencies administering the Child Support Enforcement Program under Title IV-D of the Social Security Act.
