Western Wood Preservers Ltd.	3.98

Assessment

Upon completion of this administrative review, pursuant to 19 CFR 351.212(b), the Department will calculate an assessment rate on all appropriate entries. For the companies requesting a review, but not selected for examination and calculation of individual rates, we will calculate a weighted-average assessment rate based on all importer-specific assessment rates excluding any which are *de minimis* or margins determined entirely on adverse facts available. Where the assessment rate is above *de minimis*, we will instruct CBP to assess duties on all entries of subject merchandise by that importer.

Cash Deposit Requirements

The following deposit rate will be effective upon publication of the final results of this administrative review of all shipments of certain softwood lumber products from Canada entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(1) of the Tariff Act of 1930 (the Act): (1) for the non-selected companies we will calculate a weighted-average cash deposit rate based on all the company-specific cash deposit rates, excluding *de minimis* margins or margins determined entirely on adverse facts available; (2) for previously reviewed or investigated companies not participating in this review, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair-value (LTFV) investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise and; (4) if neither the exporter nor the manufacturer is a firm covered in this or any previous review conducted by the Department, the cash deposit rate will be 8.43 percent, the "All Others" rate established in the LTFV investigation. At this time the Department is considering instructing CBP to apply the cash deposit rate to the sum of the entered value, countervailing duties and antidumping duties when these items are deducted in determining entered

value. These cash deposit requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entities during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This determination is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: July 29, 2004.

James J. Jochum,

Assistant Secretary for Import Administration.

SUPPLEMENTARY INFORMATION:

Background

On February 2, 2004, the Department initiated and the Commission instituted a sunset review of the antidumping duty order on sorbitol from France, pursuant

to section 751(c) of the Act.¹ As a result of its review, the Department found that revocation of the antidumping duty order would likely lead to continuation or recurrence of dumping and notified the International Trade Commission ("ITC") of the magnitude of the margins likely to prevail were the order revoked.² On July 23, 2004, the ITC determined pursuant to section 751(c) of the Act, that revocation of the antidumping duty order on sorbitol from France would likely lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.³

Scope of the Order

The merchandise covered by this order is crystalline sorbitol, a polyol produced by the hydrogenation of sugars (glucose), used in the production of sugarless gum, candy, groceries, and pharmaceuticals, currently classifiable under U.S. Harmonized Tariff Schedule item number 2905.44.00.

Determination

As a result of the determinations by the Department and ITC that revocation of this antidumping duty order would likely lead to continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act, the Department hereby orders the continuation of the antidumping duty order on sorbitol from France. The effective date of continuation of this order will be the date of publication in the **Federal Register** of this Notice of Continuation. Pursuant to sections 751(c)(2) and 751(c)(6) of the Act, the Department intends to initiate the next five-year review of this order not later than July 2009.

Dated: July 30, 2004.

Acting Assistant Secretary for Import Administration.
