

Article 7: Age Limits: The drinking age within the Yurok Reservation shall be the same as that of the State of California, which is currently 21 years. No person under the age of 21 years shall purchase, possess or consume any alcoholic beverage. At such time, if any, as California Business and Profession case 25658, which sets the drinking age for the State of California, is repealed or amended to raise or lower the drinking age within California, this Article shall automatically become null and void, and the Tribal Council shall be empowered to amend this Article to match the age limit imposed by State law, such amendment to become effective upon publication in the **Federal Register** by the Secretary of the Interior.

Article 8: Civil Penalties: The Tribe, through its Tribal Council shall have the authority to enforce this statute by confiscating any liquor sold, possessed or introduced in violation hereof. The Tribal Council shall be empowered to sell such confiscated liquor for the benefit of the Tribe and to develop and approve such regulation as may become necessary for enforcement of this ordinance.

Article 9: Prior Inconsistent Enactments: Any prior tribal laws, resolutions, or statutes, which are inconsistent with this statute, are hereby repealed to the extent they are inconsistent with this statute.

Article 10: Sovereign Immunity: Nothing contained in this statute is intended to, nor does in any way, limit, alter, restrict, or waive the sovereign immunity of the Tribe or any of its agencies from un-consented suit or action of any kind.

Article 11: Severability: If any provision of this statute is found by any agency or court of competent jurisdiction to be unenforceable, the remaining provisions shall be unaffected thereby.

Article 12: Amendment: This statute may be amended by a majority vote of the Tribal Council of the Tribe at a duly noticed Tribal Council meeting, such amendment to become effective upon publication in the **Federal Register** by the Secretary of the Interior.

Certification

This is to certify that this Liquor Control Ordinance was approved at a regularly scheduled meeting of the Yurok Tribal Council on 12/19/03, at which a quorum was present and that this ordinance was adopted by a vote of 6 For, 2 Opposed, 0 Abstentions. This ordinance has not been rescinded or amended in any way.

Dated this 19th day of December 2003.

Howard McConnell,
Chairperson, Yurok Tribal Council.

Attest:

Fawn Murphy,
Recording Secretary, Yurok Tribal Council.

New Mexico Resource Advisory Council, Notice of Call for Nominations

AGENCY: Bureau of Land Management, Department of the Interior.

ACTION: Notice of public meeting.

SUMMARY: In accordance with the Federal Land Policy and Management Act and the Federal Advisory Committee Act of 1972, the U.S. Department of the Interior, Bureau of Land Management, New Mexico Resource Advisory Council (RAC) will meet as indicated below.

DATES: The meeting will be held on September 14-15, 2004, beginning at 8 a.m. at the Inn of Loretto, 211 Old Santa Fe Trail, Santa Fe, New Mexico. The meeting will adjourn at approximately 5 p.m. on Tuesday, September 14, 2004, and 3:30 p.m. on Wednesday, September 15, 2004. The two established RAC working groups may have a late afternoon or an evening meeting on Tuesday, September 14, 2004. An optional field trip is planned for Monday, September 13, 2004, at 12:30 p.m.

The public comment period is scheduled for Monday, September 14, 2004, from 6-7 p.m. The public may present written comments to the RAC. Depending on the number of persons wishing to comment and time available, individual oral comments may be limited.

FOR FURTHER INFORMATION CONTACT:

Theresa Herrera, New Mexico State Office, Office of External Affairs, Bureau of Land Management, P.O. Box 27115, Santa Fe, New Mexico 87502-0115, 505.438.7517.

SUPPLEMENTARY INFORMATION: The 15-member RAC advises the Secretary of the Interior, through the Bureau of Land Management, on a variety of planning and management issues associated with public land management in New Mexico. All meetings are open to the public. At this meeting, topics for discussion include: Sierra/Otero Mesa Counties Fluid Mineral Leasing Plan

Amendment, directional drilling of oil and gas wells to mitigate surface impacts, follow-up on rancher monitoring, discussion on the Ecological Site Description Effort, Interim Guidelines for Special Status Species Plan Amendment, the Access Proposal, what are the problems for threatened and endangered and other imperiled species on BLM lands, and election of new officers.

Dated: July 30, 2004.

Linda S.C. Rundell,

State Director.

Bureau of Land Management

[CO-820-02-5440-DT -C028]

Notice of Availability of the Proposed San Juan/San Miguel Resource Management Plan Amendment and Final Environmental Impact Statement for a Proposed Ski Area Near Silverton, CO

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of availability of the proposed San Juan/San Miguel Resource Management Plan Amendment and final environmental impact statement (PRMP Amendment /FEIS) for a proposed ski area near Silverton, Colorado.

SUMMARY: Pursuant to section 202 of the Federal Land Policy and Management Act of 1976 (FLPMA) and section 102(2)(C) of the National Environmental Policy Act of 1969 (NEPA), the Bureau of Land Management (BLM) has prepared a PRMP Amendment and FEIS for the proposed ski area. The proposed area lies in San Juan County, Colorado. The PRMP Amendment/FEIS provides direction and guidance for the management of public lands and resources of the ski area, as well as monitoring and evaluation requirements. The PRMP Amendment/FEIS would also amend the San Juan/San Miguel RMP (1985) for the affected lands in the planning area. Once approved in a Record of Decision (ROD), the Amended RMP would supercede all existing management plans for the public lands within the ski area.

DATES: BLM Planning Regulations (43 CFR 1610.5-2) state that any person who participated in the planning process, and has an interest that may be adversely affected, may protest. The protest must be filed within 30 days of the date that the Environmental

Protection Agency publishes this notice in the **Federal Register**. Instructions for filing of protests are described in Chapter One of the PRMP Amendment/FEIS and are also included in the Supplementary Information section of this notice.

FOR FURTHER INFORMATION CONTACT: To have your name added to our mailing list, contact Richard Speegle, Project Manager, at 970-375-3310, (or e-mail at richard_speegle@blm.gov) Columbine Field Office, San Juan Public Lands Center, 15 Burnett Ct., Durango, CO 81301.

Persons who are not able to inspect the PRMP Amendment/FEIS either on-line or at the information repository locations may request one of a limited number of printed or CD copies. Requests for copies of the PRMP Amendment/FEIS should be directed to Mr. Speegle, and should clearly state that the request is for a printed copy or CD of the Silverton Outdoor Learning and Recreation Center PRMP Amendment/FEIS, and include the name, mailing address and phone number of the requesting party.

Copies of the PRMP Amendment/FEIS have been sent to affected Federal, State, and Local Government agencies and to interested parties. The planning documents and direct supporting record for the analysis for the PRMP Amendment/FEIS will be available for inspection at the following offices:

- The Bureau of Land Management, Columbine Field Office, 110 W. 11th, Durango, Colorado 81301
- The Bureau of Land Management, San Juan Public Lands Center, 15 Burnett Ct., Durango Colorado (documents can be reviewed at the BLM office during normal working hours).
- Silverton Public Library, 1111 Reese Street, Silverton, Colorado
- The Durango Public Library, 1188 2nd Ave, Durango, Colorado
- The public may obtain a copy of the PRMP Amendment/FEIS from the following locations:
- The Bureau of Land Management Columbine Field Office & the San Juan Public Lands Center
- On the Internet at www.co.blm.gov/sjra.

SUPPLEMENTARY INFORMATION: Cirrus Ecological Solutions, L.C., an environmental consulting firm in Logan, Utah, is assisting the BLM in the preparation of these documents and in the planning process for the ski area. The EIS is being prepared to provide the public and Bureau decision makers with comprehensive environmental impact information related to the following Proposed Action: authorization of

Silverton Outdoor Learning and Recreation Center's request for long-term use of 1,300 acres of BLM-administered land for backcountry-type skiing, summer recreation, and educational activities. The Proposed Action would require an Amendment of the San Juan/San Miguel RMP to provide for a change in the scope of authorized resource uses. The planning area addressed in the PRMP Amendment/FEIS contains 1,300 acres of BLM-administered lands, and 400 acres of private lands owned by the proponent. The PRMP Amendment/FEIS only applies to BLM-administered lands. Other private lands are included within the planning area boundary because these lands are interspersed with the BLM administered-lands.

The Draft RMP(DRMP) Amendment/Draft EIS(DEIS) published in June 2003, addressed four alternatives: the Proposed Action (Unguided Skiing Only), (A) No Action, or continuation of current practices, (B) Guided Skiing Only, and (C) the Preferred Alternative, an Integrated Guided and Unguided Operation. The PRMP Amendment/FEIS still includes Alternative C as the Agency Preferred Alternative. However, the PRMP Amendment/FEIS reflects the public and internal comments received on DRMP Amendment/DEIS.

The significant issues addressed in the analysis included the following: 1. Public safety (including avalanche mitigation); 2. Canada lynx impacts; 3. Impacts on the local winter economy; 4. Impacts to neighboring private lands; and 5. Public access to the area. Of these, public safety drove the development of alternatives. The Agency Preferred Alternative (C) Integrated Guided and Unguided Operation, would blend the unguided skiing under the Proposed Action with the Guided Only Operation of Alternative (B), incorporating the skier safety approaches appropriate to both. The Preferred Alternative (C) would include all elements of both the Proposed Action and the Guided Only Operation of Alternative (B), with the following exceptions:

1. Skier access to the permit area terrain would be staged according to skier safety hazards. Areas where risks were adequately reduced, due to avalanche control efforts and/or naturally evolving snow conditions, would be open to unguided skiing. Areas where hazards existed but could be avoided would be open to guide skiing only, and areas where the hazard was too high to reliably avoid, would be closed.
2. Limited tree thinning, limbing and clean-up on forested, north-facing

slopes within the permit area. The objective would be to increase skier rescue and safe tree-skiing opportunities, primarily for unguided skiers, during periods of high avalanche hazard above timberline.

3. A 1.7 mile trail, less steep than the existing lift trail on private land, would be developed for emergency snowmobile access to the top lift terminal. It would also be available for hiker and mountain biker access in the summer months.

This alternative would incorporate both approaches to skier safety, from resort-style risk reduction as envisioned under the Proposed Action to the risk-avoidance approach typical of guided operations (Alternative B). Determination of which areas were open for unguided skiing and for guided skiing—and which areas were closed to skiing of any type—would be made on the basis of snow-stability criteria detailed in the skier-safety operation plan.

The planning process includes an opportunity for public, administrative review of proposed land use plan decisions during a 30-day protest period of the PRMP Amendment/FEIS. Any person who participated in the planning process for the PRMP Amendment/FEIS, and has an interest which is or may be adversely affected, may protest approval of this PRMP Amendment/FEIS and land use plan decisions contained within it (See 43 CFR 1610.5-2) during this 30-day period. Only those persons or organizations who participated in the planning process leading to this PRMP Amendment/FEIS may protest. A protesting party may raise only those issues submitted for the record during the planning process leading up to the publication of this PRMP Amendment/FEIS. These issues may have been raised by the protesting party or others. New issues may not be brought into the record at the protest stage. The 30-day period for filing a plan protest begins when the Environmental Protection Agency publishes in the **Federal Register** its Notice of Availability of the Final Environmental Impact Statement containing the PRMP Amendment/FEIS. There is no provision for any extension of time. To be considered "timely", your protest, along with all attachments, must be postmarked no later than the last day of the protest period. A letter of protest must be filed in accordance with the planning regulations, 43 CFR 1610.5-2(a)(1). Protests must be in writing. E-mail and faxed protests will not be accepted as valid protests unless the protesting party also provides the original letter by either regular or overnight mail postmarked by the close

of the protest period. Under these conditions, BLM will consider the e-mail or faxed protest as an advance copy and it will receive full consideration. If you wish to provide BLM with such advance notification, please direct faxed protests to the attention of the BLM protest coordinator at 202-452-5112, and e-mails to Brenda_Hudgens-Williams@blm.gov. If sent by regular mail, send to: Director (210), Attention: Brenda Williams, P.O. Box 66538, Washington, DC 20035. For overnight (*i.e.*, Federal Express) mailing, send protests to: Director (210) Attention: Brenda Williams, 1620 L Street, NW., Suite 1075, Washington, DC 20036. In order to be considered complete, your protest must contain at a minimum, the following information:

1. The name, mailing address, telephone number, and interest of the person filing the protest.
2. A statement of the issue or issues being protested.
3. A statement of the part or parts of the PRMP Amendment/FEIS being protested. To the extent possible, this should be done by reference to specific pages, paragraphs, sections, tables, maps, etc. included in the document.
4. A copy of all documents addressing the issue or issues that you submitted during the planning process, or a reference to the date and issue or issues that were discussed by you for the record.
5. A concise statement explaining why the Colorado BLM State Director's proposed decision is believed to be incorrect. This is the critical part of your protest. Take care to document relevant facts.

As much as possible, reference or cite the planning documents, environmental analysis documents, or available planning records (*i.e.*, meeting minutes or summaries, correspondence, etc.). A protest that merely expresses disagreement with the Colorado BLM State Director's proposed decision, without any data, will not provide us with the benefit of your information and insight. In this case, the Director's review will be based on the existing analysis and supporting data. At the end of the 30-day protest period and after the Governor's consistency review, the PRMP Amendment/FEIS, excluding any portions under protest, will become final. Approval will be withheld on any portion of the PRMP Amendment/FEIS under protest until final action has been completed on such protest.

Freedom of Information Act Considerations/Confidentiality: Public comments submitted for this planning review, including names and street addresses of respondents, will be

available for public review at the Columbine Field Office, in Durango, Colorado, during regular business hours (7:45 a.m. to 4:30 p.m.), Monday through Friday, except holidays. Comments, including names and addresses of respondents, will be retained on file in the same office as part of the public record for this planning effort. Individual respondents may request confidentiality. If you wish to withhold your name or address from public inspection or from disclosure under the Freedom of Information Act, you must state this prominently at the beginning of your written comment. Such requests will be honored to the extent allowed by law. BLM will not accept anonymous comments. All submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, will be made available for public inspection in their entirety.

Dated: March 9, 2004.

Mark W. Stiles,

Center Manager, San Juan Public Lands Center.

Editorial Note: This document was received in the Office of the Federal Register on July 30, 2004.

BILLING CODE 4310-JB-P

DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[NV-040-04-5101-ER-F344; N-78091]

Notice of Intent To Prepare an Environmental Impact Statement (EIS) for the Proposed White Pine Energy Station, a Coal-Fired, Water-Cooled, Electric Power Plant, and Associated Ancillary Facilities in White Pine County, Nevada and a Notice of Public Meetings

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of intent.

SUMMARY: Under section 102(2)(C) of the National Environmental Policy Act of 1969, the Bureau of Land Management (BLM), Ely Field Office, will be directing the preparation of an EIS and conducting public scoping meetings for the proposed White Pine Energy Station, a coal-fired, water-cooled, electric power plant and associated ancillary facilities. The EIS will assess the potential impacts of rights-of-way (ROW), a conveyance, or a commercial lease for a proposed power-generating facility and ROW for the proposed

associated ancillary facilities in White Pine County, Nevada.

The proposed White Pine Energy Station includes up to two 500 to 800 megawatt coal-fired generating units and other related facilities, including but not limited to, a rail loop, coal unloading, handling and storage facilities, solid waste disposal facility, water storage and treatment facilities, evaporation pond, cooling towers, electric switchyard and support buildings. Ancillary facilities would include wells, water pipeline and related facilities, rail spur, access roads and electric transmission facilities, which include electric transmission lines and two electric substations.

DATES: The publication of this notice initiates the public scoping process and comment period. Comments on the scope of the EIS, including concerns, issues, or proposed alternatives that should be considered in the EIS should be submitted in writing to the address below. Comments will be accepted until September 7, 2004. This scoping notice will be distributed by mail on or about the date of this notice. All comments received at the public scoping meetings or through submitted written comments will aid the BLM in identifying alternatives and mitigating measures to assure all issues are analyzed in the EIS. The scoping meetings are scheduled as follows: Tuesday, August 24, 2004, 5 p.m. to 8 p.m. at the Bristlecone Convention Center, 150 6th St., Ely, Nevada. Wednesday, August 25, 2004, 5 p.m. to 8 p.m. at the Airport Plaza, 1981 Terminal Way, Reno, Nevada.

ADDRESSES: Information and a copy of this notice of intent for the White Pine Energy Station can be obtained by writing to the Bureau of Land Management, Ely Field Office, HC 33 Box 33500, Ely, Nevada 89301, or visiting the Ely Field Office at 702 North Industrial Way, Ely, NV 89301.

Written comments on the proposed EIS should be mailed to Doris Metcalf or Susan Baughman, Bureau of Land Management, Ely Field Office, HC 33 Box 33500, Ely, Nevada 89301.

FOR FURTHER INFORMATION CONTACT: Doris Metcalf at (775) 289-1852, e-mail Doris_Metcalf@nv.blm.gov, or Susan Baughman at (775) 289-1827, e-mail Susan_Baughman@nv.blm.gov.

SUPPLEMENTARY INFORMATION: The proposed White Pine Energy Station would be located in the eastern part of Nevada in White Pine County. The proposed power plant site would be accessible via an access road from Highway 93. The water wells, the water pipeline and related facilities, rail spur and one electric substation would be
