

or poultry being moved in a particular shipment, the shipment's point of origin, the shipment's destination, and the reason for the interstate movement.

These documents also provide useful traceback information in the event infected birds or poultry are discovered and an investigation must be launched to determine where the birds or poultry originated. The information provided by these documents is critical to our ability to prevent the interstate of END and chlamydia, which are highly contagious and capable of causing significant economic harm to the U.S. poultry industry.

We are asking the Office of Management and Budget (OMB) to approve our use of these information collection activities for an additional 3 years.

The purpose of this notice is to solicit comments from the public (as well as affected agencies) concerning this information collection activity. These comments will help us:

(1) Evaluate whether the information collection is necessary for the proper performance of our agency's functions, including whether the information will have practical utility;

(2) Evaluate the accuracy of our estimate of the burden of the information collection, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, through use, as appropriate, of automated, electronic, mechanical, and other collection technologies, e.g., permitting electronic submission of responses.

Estimate of burden: The public reporting burden for this collection of information is estimated to average 0.574074 hours per response.

Respondents: U.S. producers and shippers, and State animal health protection authorities.

Estimated annual number of respondents: 64.

Estimated annual number of responses per respondent: 1.

Estimated annual number of responses: 54.

Estimated total annual burden on respondents: 31 hours. (Due to averaging, the total annual burden hours may not equal the product of the annual number of responses multiplied by the reporting burden per response.)

All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.

Done in Washington, DC, this 3rd day of August, 2004.

W. Ron DeHaven,

Administrator, Animal and Plant Health Inspection Service.

Notice of Extension of Time Limit for the Final Results of the Antidumping Duty Administrative Review: Automotive Replacement Glass Windshields From the People's Republic of China

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: August 9, 2004.

SUMMARY: The Department of Commerce ("the Department") is extending the time limit for the final results of the antidumping duty review of automotive replacement glass windshields from the People's Republic of China. This review covers the period September 19, 2001 through March 31, 2003.

FOR FURTHER INFORMATION CONTACT: Robert Bolling or Jon Freed, AD/CVD Enforcement, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-3434 and (202) 482-3818, respectively.

Background

On May 7, 2004, the Department published the preliminary results of the administrative review of the antidumping duty order on ARG windshields from the PRC. *See Automotive Replacement Glass Windshields from the People's Republic of China: Preliminary Results of*

Antidumping Duty Administrative Review, 69 FR 25545 (May 7, 2004). The final results of this administrative review are currently due no later than September 4, 2004.

Extension of Time Limit for Final Results

Section 751(a)(3)(A) of the Act states that if it is not practicable to complete the review within the time specified, the administering authority may extend the 120-day period, following the date of publication of the preliminary results, to issue its final results by an additional 60 days. Completion of the final results within the 120-day period is not practicable for the following reasons: This review involves certain complex issues which were raised in the briefs after the preliminary results of review including: (1) Exclusion of export price sales from margin calculation; and (2) use of market prices for float glass instead of surrogate values.

Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for issuing the final results of review by 30 days until no later than October 4, 2004.

Dated: August 3, 2004.

Jeffrey A. May,

Deputy Assistant Secretary for Import Administration, Group I.

Notice of Preliminary Results of Antidumping Duty Administrative Review: Certain In-Shell Raw Pistachios From Iran

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of preliminary results of antidumping administrative review.

SUMMARY: In response to a request from Tehran Negah Nima Trading Company, Inc., trading as Nima Trading Company, (collectively, Nima), the U.S. Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on certain in-shell raw pistachios from Iran. The period of review is July 1, 2002, through June 30, 2003. We have preliminarily determined that Nima has made sales at not less than normal value during the period covered by this review. The preliminary results are listed below in

the section titled "Preliminary Results of Review." Interested parties are invited to comment on these preliminary results.

EFFECTIVE DATE: August 9, 2004.

FOR FURTHER INFORMATION CONTACT:

Angelica Mendoza at (202) 482-3019 or Abdelali Elouaradia at (202) 482-1374; AD/CVD Operations, Office Six, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

The Department published in the *Federal Register* an antidumping duty order on certain in-shell raw pistachios (pistachios) from Iran on July 17, 1986. *See Antidumping Duty Order: Certain In Shell Pistachios from Iran*, 51 FR 25922 (July 17, 1986). On July 2, 2003, the Department published a notice of opportunity to request an administrative review of the antidumping duty order on pistachios from Iran, 68 FR 39511. On July 30, 2003, Nima, an exporter of subject merchandise during the period of review, requested that the Department conduct an administrative review of its sales to the United States covered by the antidumping duty order. On August 22, 2003, the Department initiated an administrative review of the antidumping duty order on pistachios from Iran for the period July 1, 2002, through June 30, 2003, in order to determine whether merchandise imported into the United States was sold at less than fair value by Nima. *See Initiation of Antidumping and Countervailing Duty Administrative Review and Requests for Revocations in Part*, 68 FR 50750 (Administrative Review Initiation).

On August 29, 2003, the Department issued Nima an antidumping duty questionnaire. On September 19, 2003, Nima filed its response to Section A of the Department's questionnaire. We received Nima's response to Section C of the Department's questionnaire on October 14, 2003.

On October 24, 2003, petitioner, California Pistachio Commission, filed comments on Nima's Section A and C questionnaire responses and filed a request that the Department determine whether antidumping duties had been absorbed during the period of review by Nima. *See "Duty Absorption" section below.* We received comments on Nima's Section A and C questionnaire responses from Cal Pure Pistachios, Inc. (Cal Pure), an interested party in this proceeding, on November 6, 2003.
