

community development, located approximately 30 miles north of Houston, Montgomery County, Texas. The current population of The Woodlands is approximately 63,000 residents. At build-out, the total population is expected to reach 110,000 residents. This action may result in the abandonment of the nest site. The Permittee proposes to compensate for this incidental take by agreeing to provide buffers between forested areas and development as well as funding a bald eagle research project.

Pursuant to the June 10, 2004, order in *Spirit of the Sage Council v. Norton*, Civil Action No. 98-1873 (D. D.C.), the Service is enjoined from approving new section 10(a)(1)(B) permits or related documents containing "No Surprises" assurances until such time as the Service adopts new permit revocation rules specifically applicable to section 10(a)(1)(B) permits in compliance with public notice and comment requirements of the Administrative Procedure Act. This notice concerns a step in the review and processing of a section 10(a)(1)(B) permit and any subsequent permit issuance will be in accordance with the Court's order. Until such time as the Service's authority to issue permits with "No Surprises" assurances has been reinstated, the Service will not approve any incidental take permits or related documents containing "No Surprises" assurances.
