

withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(1) of the Act: (1) The cash deposit rate for Nima will be the rate established in the final results of this administrative review (except that no deposit will be required if the rate is zero or *de minimis*, i.e., less than 0.5 percent); (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original less than fair value (LTFV) investigation, but the producer is, the cash deposit rate will be the rate established for the most recent period for the producer of the merchandise; and (4) if neither the exporter nor the producer is a firm covered in this review, a prior review, or the original LTFV investigation, the cash deposit rate will continue to be the "all others" rate of 184.28 percent established in the LTFV investigation. This rate reflects the amount of export subsidies found in the final countervailing duty determination in the investigation subtracted from the dumping margin found in the LTFV determination. See Final Affirmative Countervailing Duty Determination and Countervailing Duty Order; In-Shell Pistachios From Iran, 51 FR 8344 (March 11, 1986). These cash deposit requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

#### Notification to Interested Parties

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this administrative review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

These preliminary results are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: July 30, 2004.

#### Notice of Postponement of Preliminary Antidumping Duty Determination: Live Swine From Canada

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce is postponing the preliminary determination in the antidumping duty investigation on live swine from Canada from August 25, 2004 until no later than October 14, 2004. This extension is made pursuant to section 733(c)(1)(B) of the Tariff Act of 1930, as amended by the Uruguay Round Agreements Act.

**EFFECTIVE DATE:** August 9, 2004.

**FOR FURTHER INFORMATION CONTACT:** Cole Kyle at (202) 482-1503 or Andrew Smith at (202) 482-1276, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230.

#### Postponement of Preliminary Determination

On April 14, 2004, the Department of Commerce ("the Department") published the initiation of the antidumping duty investigation of imports of live swine from Canada. See *Notice of Initiation of Antidumping Investigation: Live Swine from Canada*, 69 FR 19815 (April 14, 2004) ("*Initiation Notice*"). The *Initiation Notice* stated that we would make our preliminary determination for this antidumping duty investigation no later than August 25, 2004, 140 days after the date on which the Department initiated this investigation.

Pursuant to section 733(c)(1)(B) of the Tariff Act of 1930, as amended by the Uruguay Round Agreements Act ("the Act"), the Department can extend the period for reaching a preliminary determination until no later than the 190th day after the date on which the administering authority initiates an investigation if:

(B) The administering authority concludes that the parties concerned are cooperating and determines that

(i) The case is extraordinarily complicated by reason of

(I) The number and complexity of the transactions to be investigated or adjustments to be considered,

(II) The novelty of the issues presented, or

(III) The number of firms whose activities must be investigated, and

(ii) Additional time is necessary to make the preliminary determination.

Regarding the first requirement, we find that all concerned parties are cooperating in this case.

Regarding the second requirement, we find that this case is extraordinarily complicated because of the novelty of the issues presented. First, the product in this investigation, live swine, is inherently unique from the manufactured or processed agricultural products that the Department typically encounters in antidumping duty investigations. Further, the corporate structures and production processes of the respondents involved in this investigation are highly complex in that several of the respondents are affiliated with other live swine producers and are involved in substantial further manufacturing activities in the United States. Accordingly, the Department requires additional time to analyze the questionnaire responses submitted, determine how to proceed with respect to the unique issues presented, and collect additional information concerning these issues before the preliminary determination.

Pursuant to section 733(c)(1)(B) of the Act, we have determined that this case is extraordinarily complicated and that additional time is necessary to make our preliminary determination. Therefore, we are postponing the preliminary determination until no later than October 14, 2004, 190 days after the date on which the Department initiated this investigation, in accordance with section 733(c)(1) of the Act.

This notice is published pursuant to section 733(c)(2) of the Act.

Dated: August 3, 2004.
