**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** August 9, 2004.

**SUMMARY:** The Department of Commerce ("the Department") is extending the time limit for the final results of the antidumping duty review of automotive replacement glass windshields from the People's Republic of China. This review covers the period September 19, 2001 through March 31, 2003.

#### **Background**

On May 7, 2004, the Department published the preliminary results of the administrative review of the antidumping duty order on ARG windshields from the PRC. *See Automotive Replacement Glass Windshields from the People's Republic of China: Preliminary Results of*

*Antidumping Duty Administrative Review*, 69 FR 25545 (May 7, 2004). The final results of this administrative review are currently due no later than September 4, 2004.

#### **Extension of Time Limit for Final Results**

Section 751(a)(3)(A) of the Act states that if it is not practicable to complete the review within the time specified, the administering authority may extend the 120-day period, following the date of publication of the preliminary results, to issue its final results by an additional 60 days. Completion of the final results within the 120-day period is not practicable for the following reasons: This review involves certain complex issues which were raised in the briefs after the preliminary results of review including: (1) Exclusion of export price sales from margin calculation; and (2) use of market prices for float glass instead of surrogate values.

Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for issuing the final results of review by 30 days until no later than October 4, 2004.

Dated: August 3, 2004.

#### **SUPPLEMENTARY INFORMATION:**

##### **Background**

The Department published in the *Federal Register* an antidumping duty order on certain in-shell raw pistachios (pistachios) from Iran on July 17, 1986. *See Antidumping Duty Order: Certain In Shell Pistachios from Iran*, 51 FR 25922 (July 17, 1986). On July 2, 2003, the Department published a notice of opportunity to request an administrative review of the antidumping duty order on pistachios from Iran, 68 FR 39511. On July 30, 2003, Nima, an exporter of subject merchandise during the period of review, requested that the Department conduct an administrative review of its sales to the United States covered by the antidumping duty order. On August 22, 2003, the Department initiated an administrative review of the antidumping duty order on pistachios from Iran for the period July 1, 2002, through June 30, 2003, in order to determine whether merchandise imported into the United States was sold at less than fair value by Nima. *See Initiation of Antidumping and Countervailing Duty Administrative Review and Requests for Revocations in Part*, 68 FR 50750 (Administrative Review Initiation).

On August 29, 2003, the Department issued Nima an antidumping duty questionnaire. On September 19, 2003, Nima filed its response to Section A of the Department's questionnaire. We received Nima's response to Section C of the Department's questionnaire on October 14, 2003.

On October 24, 2003, petitioner, California Pistachio Commission, filed comments on Nima's Section A and C questionnaire responses and filed a request that the Department determine whether antidumping duties had been absorbed during the period of review by Nima. *See "Duty Absorption" section below.* We received comments on Nima's Section A and C questionnaire responses from Cal Pure Pistachios, Inc. (Cal Pure), an interested party in this proceeding, on November 6, 2003.
