Proposed Project: "Voluntary Customer Surveys Generic Clearance for the Agency for Healthcare Research and Quality"

In response to Executive Order 12862, the Agency for Healthcare Research and Quality (AHRQ) plans to conduct

voluntary customer surveys to assess strengths and weaknesses in agency program services. Customer surveys to be conducted by AHRQ may include readership surveys from individuals using AHRQ automated and electronic technology databases to determine satisfaction with the information provided or surveys to assess effects of the grants streamlining efforts.
