Any person needing special accommodations at this meeting, including wheelchair access, should contact Marc Santora, Designated Federal Officer, at the number or e-mail under the **FOR FURTHER INFORMATION CONTACT** section, at least five business days in advance.

The WSWG charge is to: (1) Identify, compile, and characterize best security practices and policies for drinking water and wastewater utilities and provide an approach for considering and adopting these practices and policies at a utility level; (2) consider mechanisms to provide recognition and incentives that facilitate a broad and receptive response among the water sector to implement these best security practices and policies and make recommendations as appropriate; (3) consider mechanisms to measure the extent of implementation of these best security practices and policies, identify the impediments to their implementation, and make recommendations as appropriate.
