Form: None.

Abstract: Certain vessels cannot comply with the International Navigation Rules (33 U.S.C. 1601) and Inland Navigation Rules (33 U.S.C. 2001). The Coast Guard thus provides an opportunity for alternative compliance. However, it is not possible to determine whether alternative compliance is appropriate, or what kind of alternative procedures might be necessary, without this collection.

Burden Estimates: The estimated burden is 180 hours a year.

2. *Title:* Various International Agreement Pollution Prevention Certificates and Documents, and Equivalency Certificates.

OMB Control Number: 1625–0041.

Type of Request: Revision to currently approved collection to account for new optional form.

Affected Public: Owners and operators of vessels.

OMB Control Number: 1625–0062.

Type of Request: Extension of currently approved collection.

Affected Public: Owners of marine portable tanks and owners/designers of non-specification portable tanks.

Form: None.

Abstract: Approval by the Coast Guard of alterations to marine portable tanks ensures that the altered tank retains the level of safety to which it was originally designed. In addition, rules that allow for the approval of non-specification portable tanks ensure that innovation and new designs are not frustrated by the regulation.

Burden Estimate: The estimated burden is 18 hours a year.

4. *Title:* Voyage Planning for Tank Barge Transits in the Northeast United States.

OMB Control Number: 1625–0088.

Type of Request: Extension of currently approved collection.

equipment failures, or human errors that may lead to accidents.

Burden Estimates: The estimated burden is 420 hours a year.

5. *Title:* Sewage and Graywater Discharge Records for Certain Cruise Vessels Operating on Alaskan Waters.

Hearing or speech-impaired individuals may call (202) 708-4594 (TTY). These are not toll-free numbers.

SUPPLEMENTARY INFORMATION: HUD announces its intention to sell in MHLs 2004-2 certain unsubsidized mortgage loans (Mortgage Loans) secured by multifamily and healthcare properties located throughout the United States. The Mortgage Loans are comprised of performing and nonperforming mortgage loans. A final listing of the Mortgage Loans will be included in the BIP. The Mortgage Loans will be sold without FHA insurance and with servicing released. HUD will offer qualified bidders an opportunity to bid competitively on the Mortgage Loans.

The Mortgage Loans will be stratified for bidding purposes into several mortgage loan pools. Each pool will contain Mortgage Loans that generally have similar performance, property type, geographic location, lien position and other characteristics. Qualified bidders may submit bids on one or more pools of Mortgage Loans. A mortgagor who is a qualified bidder may submit an individual bid on its own Mortgage Loan.

The Bidding Process

The BIP will describe in detail the procedure for bidding in MHLs 2004-2. The BIP will also include a standardized nonnegotiable loan sale agreement (Loan Sale Agreement) and a loan information CD that contains a spreadsheet with selected attributes for each Mortgage Loan.

As part of its bid, each bidder must submit a deposit equal to the greater of \$100,000 or 10% of the bid price. HUD will evaluate the bids submitted and determine the successful bids in its sole and absolute discretion. If a bidder is successful, the bidder's deposit will be non-refundable and will be applied toward the purchase price. Deposits will be returned to unsuccessful bidders. Closings are scheduled to occur on September 22, 2004.

These are the essential terms of sale. The Loan Sale Agreement, which will be included in the BIP, will contain additional terms and details. To ensure a competitive bidding process, the terms of the bidding process and the Loan Sale Agreement are not subject to negotiation.

Due Diligence Review

The BIP will describe the due diligence process for reviewing loan files in MHLs 2004-2. Qualified bidders will be able to access loan information at a due diligence facility or remotely via a high speed Internet connection. Further information on performing due diligence review of the Mortgage Loans will be provided in the BIP.

Mortgage Loan Sale Policy

HUD reserves the right to add Mortgage Loans to or delete Mortgage Loans from MHLs 2004-2 at any time prior to the Award Date. HUD also reserves the right to reject any and all bids, in whole or in part, without prejudice to HUD's right to include any Mortgage Loans in a later sale. Mortgage Loans will not be withdrawn after the Award Date except as is specifically provided in the Loan Sale Agreement.

This is a sale of unsubsidized mortgage loans. Pursuant to the Multifamily Mortgage Sale Regulations, 24 CFR 290.30 *et seq.*, the Mortgage Loans will be sold without FHA insurance. Consistent with HUD's policy as set forth in 24 CFR 290.35, HUD is unaware of any Mortgage Loan that is delinquent and secures a project (1) for which foreclosure appears unavoidable, and (2) in which very-low income tenants reside who are not receiving housing assistance and who would be likely to pay rent in excess of 30 percent of their adjusted monthly income if HUD sold the Mortgage Loan. If HUD determines that any Mortgage Loans meet these criteria, they will be removed from the sale.

Mortgage Loan Sale Procedure

HUD selected a competitive sale as the method to sell the Mortgage Loans primarily to satisfy the Mortgage Sale Regulations. This method of sale optimizes HUD's return on the sale of these Mortgage Loans, affords the greatest opportunity for all qualified bidders to bid on the Mortgage Loans, and provides the quickest and most efficient vehicle for HUD to dispose of the Mortgage Loans.

Bidder Eligibility

In order to bid in the sale, a prospective bidder must complete, execute and submit both a Confidentiality Agreement and a Qualification Statement acceptable to HUD. The following individuals and entities are ineligible to bid on any of the Mortgage Loans included in MHLs 2004-2:

(7) Any mortgagor (or affiliate of a mortgagor) that failed to submit to HUD on or before August 31, 2004, audited financial statements for 1998 through 2003 for a project securing a Mortgage Loan; and

In addition, any entity or individual that served as a loan servicer or performed other services for or on behalf of HUD at any time during the 2-year period prior to August 31, 2004, with respect to any Mortgage Loan is ineligible to bid on such Mortgage Loan. Also ineligible to bid on any Mortgage Loan are: (a) Any affiliate or principal of any entity or individual described in the preceding sentence; (b) any employee or subcontractor of such entity or individual during that 2-year period; or (c) any entity or individual that employs or uses the services of any other entity or individual described in this paragraph in preparing its bid on such Mortgage Loan.

Prospective bidders should carefully review the Qualification Statement to determine whether they are eligible to submit bids on the Mortgage Loans in MHLs 2004–2.

Freedom of Information Act Requests

HUD reserves the right, in its sole and absolute discretion, to disclose information regarding MHLs 2004–2, including, but not limited to, the identity of any bidder and their bid price or bid percentage for any pool of loans or individual loan within a pool of loans, upon the completion of the sale. Even if HUD elects not to publicly disclose any information relating to MHLs 2004–2, HUD will have the right to disclose any information that HUD is obligated to disclose pursuant to the Freedom of Information Act and all regulations promulgated thereunder.

Scope of Notice

This notice applies to MHLs 2004–2, and does not establish HUD's policy for the sale of other mortgage loans.
