BILLING CODE 4312-51-P

INTERNATIONAL TRADE COMMISSION

[Inv. No. 337-TA-491; Inv. No. 337-TA-481 (consolidated)]

In the Matter of: Certain Display Controllers and Products Containing Same and Certain Display Controllers With Upscaling Functionality and Products Containing Same; Termination of Consolidated Investigations; Issuance of Limited Exclusion Order

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade

Commission has found a violation of section 337 of the Tariff Act of 1930, 19 U.S.C. 1337, with respect to three respondents and has issued a limited exclusion order in the above-captioned consolidated investigation. The Commission has also determined to grant complainant's July 27, 2004, motion for leave to file a surreply, and to strike exhibits A and B attached to complainant's July 16, 2004, submission.

FOR FURTHER INFORMATION CONTACT:

Michael Liberman, Esq., or Clara Kuehn, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436, telephone (202) 205-3061. Copies of all nonconfidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436, telephone (202) 205-2000. General information concerning the Commission may also be obtained by accessing its Internet server (<http://www.usitc.gov>). The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: The Commission instituted Inv. No. 337-TA-481, *Certain Display Controllers with Upscaling Functionality and Products Containing Same* ("Display Controllers I" or "481 investigation") on October 18, 2002, based on a complaint filed by Genesis Microchip (Delaware) Inc. ("Genesis") of Alviso, CA naming Media Reality Technologies, Inc. of Sunnyvale, CA ("MRT"); Trumpon Microelectronics, Inc. ("Trumpon") of Taipei City, Taiwan; and SmartASIC, Inc. of San Jose, CA as respondents. 67 FR 64411. On January 14, 2003, the then presiding ALJ issued an ID terminating respondent SmartASIC from the investigation on the basis of a settlement agreement. That ID was not reviewed by the Commission. The final ID in *Display Controllers I* ("the 481 Final ID") issued on October 20, 2003. 68 FR 69719. The ALJ found no violation of section 337 based on his findings that respondents' accused products do not infringe claims 1-3, 5, 6, 9, 12, 13, 16, 17, 33-36, 38, or 39 of U.S. Patent No. 5,739,867 ("the '867 patent"), claims 1 and 9 of the '867 are invalid, and that complainant Genesis has not satisfied the domestic industry requirement of section 337.
